Dermot will host new BBC driving show

DERMOT O'Leary's return to Saturday night television with a BBC driving show has been announced less than two weeks after the unveiling of Jeremy Clarkson's Amazon deal.

The Getaway Car, presented by O'Leary, will see couples compete in a series of driving challenges that test the limits of their relationship behind the wheel of a car – with only the best getting to face *The Stig* of *Top Gear* fame.

O'Leary was the presenter of Saturday night favourite *The X Factor* for eight years.

He was linked to *Top Gear*, but Chris Evans has been trusted with reinventing the show for the BBC.

The Getaway Car will be broadcast next year on BBC One and O'Leary said: "It will stretch a family's patience with those they love most in the world."

Morrisons in milk boost for farmers

SUPERMARKET Morrisons is to launch a new milk brand selling at a premium which it says will go direct to the crisis-hit dairy industry.

The Bradford-based chain has been one of the main targets for protesters from the farming industry who have stripped milk from the shelves before dumping the produce or giving it away for free.

Morrisons corporate services director Martyn Jones said: "We will be launching a milk brand that allows customers to pay a little more if they want to support British farmers."

It wasn't oral sex, I was helping him to the toilet

FILMED: Simon Murphy and Lisanne Beck were captured on mobile phone

DOWNED CIDER: Lisanne Beck said she was tipsy but not drunk

SAYS WOMAN ON RADIO 2 HYDE PARK CONCERT INDECENCY CHARGE

A WOMAN accused of a sex act during a crowded BBC Radio 2 concert in Hyde Park said she was "tipsy and merry" but had done nothing wrong.

Lisanne Beck, 47, told the Old Bailey that on a scale of one-to-ten of drunkenness she was probably about a five, saying: "I was not extremely drunk, I was happy."

She insists the incident, which shocked onlookers complained was a lewd act, was just her trying to help her boyfriend Simon Murphy, 48, to the toilet.

Beck, a hospitality waitress, and Murphy, a gardener, both of Swansea, deny a charge of outraging public decency.

Filmed

They have pleaded not guilty to behaving indecently by engaging in sexual activity, including oral sex.

Beck told the jury: "I shook him because I wanted to wake him up and to try to assist him to the toilet."

"He had not been to the toilet and I knew that he gets discomfort in his stomach because of a medical condition, IBS (irritable bowel syndrome)."

Music lovers complained after seeing Beck and Murphy together during a set by Paloma Faith in September last year.

The couple were filmed on a mobile

phone by one concert-goer who said he was "shocked" by what he saw, the jury heard.

An off-duty policeman and children were among nearby members of the public who spotted the incident and an adult "shielded" a young girl from it.

The couple had each drunk three or four cans of cider before arriving at the venue. Beck said she also had drunk from a pre-mixed bottle of vodka and cola.

"I was tipsy and merry. I was not really drunk," she said.

Beck recalls security, who had been alerted by complaints about her behaviour, coming to throw the couple out of the event.

Beck said that to have sex in a busy park would be a "ridiculous thing".

She told the jury: "It is not something I would ever do in my life. I do not need to do that. I have no desire to do that as a mature person."

"I am not a crazy teenager in a first relationship. We are a mature couple and are not interested in doing anything as outrageous like that."

She flatly denied pleasuring Murphy, saying: "I am not lying. I did not have sex in the park."

The hearing continues.

Corbyn 'cautious' despite huge lead in Labour race

JEREMY Corbyn is "cautious" about his chances of victory in the Labour leadership contest – despite an opinion poll giving him a clear lead and the bookmakers installing him as favourite to win.

The veteran campaigner said he found "Corbynmania" – which has seen thousands of people pack into venues to hear him speak – "a bit embarrassing".

The left-winger now has the support of more than half of those with a vote in the Labour leadership contest, a YouGov poll suggested.

It gave him 53% – enough to win without a need to count second preferences – with Andy Burnham losing five points to 21%, Yvette Cooper slipping two to 18% and Liz Kendall down three on 8%.

Mr Corbyn said: "The campaign is going very well, but I think we should be a little bit cautious because there is still time for people to register to join the party or register as supporters and no ballot papers have yet been sent out."

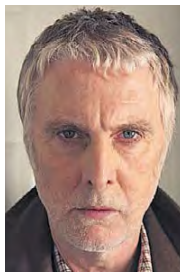

Missile parts 'find' at MH17 crash site

DUTCH prosecutors have found what they believe could be parts of a Buk missile system at the site in eastern Ukraine where Malaysia Airlines Flight 17 was brought down last year.

The announcement represents the first time prosecutors have confirmed possible physical evidence of a missile bringing down the plane and killing all 298 people on board, including 10 Britons.

The prosecutors leading an international criminal probe into the deadly crash on July 17 2014, said in a statement that the parts "are of particular interest to the criminal investigation as they can possibly provide more information about who was involved in the crash of MH17".

RIPPER ROLE FOR THRELFALL

DAVID Threlfall is to become a regular on grimy crime series *Ripper Street*.

The star, best known for his role as Frank Gallagher in *Shameless*, will play Abel Croker – wharfinger, villain and keeper of other men's secrets, Amazon said.

The fourth series of *Ripper Street* has just begun filming in Dublin and Threlfall will join

show favourites including Matthew MacFadyen and Jerome Flynn.

Other new faces confirmed for series four include David Warner, Matthew Lewis and Killian Scott, while Jonas Armstrong will appear in a role yet to be confirmed.

When *Ripper Street* series three launched on Amazon Prime Video last November, it was streamed

more than any other TV show.

It attracted larger viewing audiences than some of the biggest US shows on the service – including *Constantine*, *The Walking Dead* and Amazon exclusive *Vikings*.

The drama was resurrected by Amazon Prime after an outcry from fans when it was dropped by the BBC.

Amy's back – this time with Jack!

JUNGLE babe Amy Willerton is set to heat up our screens again after revealing she has branched out in a new TV show with Jack Osbourne.

Gorgeous model Amy blabbed about her work with Jack's production company in the US over the past few months.

But all the busty blonde – who moved to America earlier this year – would reveal is that they started filming the mystery show last month.

Amy, 22, said: "I've got some amazing work coming up. I don't know how much I'm allowed to say though."

"I've been working on something so cool with Jack Osbourne's production company."

"They've done a pilot episode around me and we started filming in July. It is so exciting!"

Former Miss Universe finalist Amy, originally from Bristol, finished fifth in *I'm A Celebrity Get Me Out Of Here* in 2013.

ED SHEERAN is to be made a doctor as he is awarded an honorary degree.

The *Thinking Out Loud* crooner will be recognised by University Campus Suffolk (UCS) in his home county at a ceremony later this year.

The 24-year-old singer songwriter, who spent his childhood in Framlingham, Suffolk, said he was delighted at the honour for his contribution to music.

He added: "I've had an amazing year with my world tour and this makes it even better."

"Suffolk is very much where I call home and I'm always welcomed back and get so much support."

"Receiving this recognition is a real privilege."

"UCS is at an exciting point in its development and I look forward to building links with the university and its students in the years to come."

Ozzy spotted on set with Ghostbusters

HEAVY metal legend Ozzy Osbourne has bagged a role in the upcoming *Ghostbusters* movie.

The Brit rocker will play himself in the comedy, which is filming now.

He will star in a section of the movie which sees him playing a rock concert before being attacked by hundreds of ghosts.

Director Paul Feig has yet to confirm Ozzy's cameo, but the 66-year-old ex-Black Sabbath man was seen on set last week.

He follows original *Ghostbusters* Bill Murray and Dan Aykroyd, who also have small parts in the flick.

The 1984 classic is being remade with four female leads.

A movie insider said: "Ozzy is absolutely perfect. He's as dark and satanic as they come."

"What better person to be in a film about the spirits of the dead?"

"He's filming the movie finale, so he's going to be a big part of it. Everyone is really excited."

Frogs and Brits are 'tightest' tourists

BRITISH holidaymakers are among the worst at tipping.

But they are not as bad as French tourists, according to a survey of bar and restaurant staff.

A "tipping index" from Direct Line Travel Insurance conducted research among 132 bars and restaurants to investigate perceptions of tipping trends in holiday hotspots including Barcelona, Las Vegas, Paris, Phuket and Ibiza.

Nearly one in three (30%) of those surveyed picked out tourists from France as the worst at tipping, with Brits coming in second on 21% and Italians in third place on 11%.

Holidaymakers from the United States were voted the most generous tippers, with 27% of bars voting them top.

German tourists were voted best by 21% of bar and restaurant staff.

COUNCIL STAFF'S SEX IN TOWN HALL SHOWERS

TWO town hall officers have been sacked after being accused of having sex in the showers of a council building.

The pair – a man and woman – were dismissed for gross misconduct after a whistleblower complained to Manchester council.

It was claimed the two officers – one of whom was a manager – had been sneaking off to bonk in the showers of a south Manchester council premises.

Although the town hall found no evidence they had been meeting for that reason, the allegations triggered an investigation into their general conduct.

It then emerged that they had repeatedly been leaving their desks to see each other during work hours and

By **HAZEL GROVE**
news@sundaysport.co.uk

were suspended. Investigators found they had been disappearing to meet for half-an-hour or more on a string of occasions, arousing suspicions.

At least one person anonymously reported the couple to management, it is understood.

When confronted, the pair strongly denied meeting for sex.

After being suspended while a full investigation was carried out, they were sacked for "misuse of council time" at a disciplinary hearing last week.

The town hall stressed that the sex allegations did not form part of the ultimate disciplinary hearing, which found only that they'd been misusing

their time at work. A Manchester city council spokesman said: "We can confirm that two employees have been dismissed following an internal investigation over gross misconduct."

"To be clear, the employees were not dismissed as a result of allegations that have been suggested."

Manchester council suspended a total of 162 employees between 2011 and 2013 after disciplinary probes.

One town hall insider described the latest case as extremely unusual. However, other similar incidents have been known elsewhere.

Earlier this year two members of council staff at Eastleigh borough council in Hampshire were also suspended after a whistleblower claimed they had been performing "sex acts" at the council's head office during work hours.

Fireman raped girl he rescued from blaze

A FIREMAN raped a nine-year-old girl after rescuing her from a blaze – then told her he would murder her mother if she told anyone.

John McGinn also raped and abused his partner, making her feel 'like a piece of garbage', and beat up another girl before giving her sweets to keep her quiet, a court heard.

The young girl attacked by the firefighter did not reveal her ordeal for two decades because she was so scared of his threats.

McGinn, 56, from Bellshill, claimed the accusations were 'downright lies' and insisted he would rather die than be a paedophile, saying his victims had invented their claims in order to blackmail him.

But he was convicted of six charges, including rape, after a trial at the High Court in Glasgow, and faces a long jail term when he is sentenced.

The rapist had worked as a firefighter in North Lanarkshire for 30 years.

Putin tales are spy in the sky

VLADIMIR PUTIN wasn't a high-flying KGB master spy, but a useless bumbler who was LAUGHED AT by other secret agents, say his former colleagues.

One former high-ranking KGB officer told the *Washington Post*: "The truth is, he's not one of us."

"He was seen in the system as a risk-taker who had very little understanding of the consequences of failure."

"The KGB of that era was not keen on risk."

The agent also pointed out that pointed to the fact that Putin was never given any high-profile assignments.

Instead he was sent to places like Dresden and Leningrad rather than Moscow at the end of that tour.

"It was a message that he should seek another career. He wasn't liked and not taken seriously," the ex-KGB man added.

Strangled & beaten to death with a spanner in car

HORRIFIC DEATH: Karen Buckley tried to fight off her killer

COURIER BOSS ADMITS KAREN MURDER

By PAUL WARD

neil@sundaysport.co.uk

A COURT yesterday heard in graphic detail how student Karen Buckley was lured to her violent death by a courier boss described as a "loner".

Alexander Pacteau, 21, who repeatedly hit his victim on the head and body with a spanner, pleaded guilty to her murder when he appeared at Glasgow High Court.

A major search was launched for Miss Buckley, from Cork, when she was reported missing from the flat she shared with friends after failing to return home from a nightclub in Glasgow's west end in April.

Her body was found days later at a farm on the outskirts of the city.

Injuries

Miss Buckley, a 24-year-old nurse who was studying for a post-graduate qualification at Glasgow Caledonian University, was seen on CCTV leaving the Sanctuary nightclub in the early hours of Sunday, April 12, and talking to a man on Dumbarton Road.

By the Tuesday, police revealed they had spoken to the man seen talking to Miss Buckley – Pacteau – who told them she travelled with him to his flat a few miles away in Dorchester Avenue before leaving some hours later.

The following day he was detained by police.

A body was later found at High Craigton Farm near Milngavie, ending the

HIDING PLACE: Pacteau had Karen's body in his bedroom

four-day police search. Pacteau was arrested and appeared in court on April 17, charged with murder.

And yesterday he pleaded guilty to the charge, admitting attacking her in his car on April 12 by strangling her and repeatedly hitting her with the spanner.

The court heard how Pacteau had met Miss Buckley outside the club and driven her to nearby Kelvin Way.

The car parked for 12 minutes, during which time Pacteau attacked and murdered her by grabbing her neck and delivering 12 or 13 blows with the spanner.

The court was told Miss Buckley suffered injuries to her arm as she tried to defend herself.

Pacteau's silver Ford Focus was seen on CCTV leaving the area and heading towards Dawsholm Park, where Miss Buckley's handbag was found the following morning.

Chemical

Lord Advocate Frank Mulholland QC, prosecuting, told the court how Pacteau then drove back to his flat and took Miss Buckley's body to his room.

At 8am he used his mobile phone to look up the properties of a chemical called sodium hydroxide, or caustic soda.

He then travelled to a B&Q store where he bought six litres of the chemical along with masks and gloves, the court heard.

He also went to a Poundstretcher store near his flat and bought more

of the chemical. He texted his flatmate to make sure he was out for the day, then returned to the flat and left Miss Buckley's body in the bath.

Mr Mulholland told the court how Pacteau left his flat at around 5am the following morning and went to a bridge on the nearby Forth and Clyde Canal where he threw the spanner into the water.

Barrel

He then drove to a supermarket, where he asked a member of staff to recommend a cleaner that would get blood out of a mattress.

Pacteau made his first journey to High Craigton Farm, stopping off at another supermarket on the way to buy white spirit and a lighter, the court was told.

He burned some clothing there before returning to his flat to call a packaging company to order a large blue barrel.

Mr Mulholland said Pacteau collected the barrel, took it home and put the body inside.

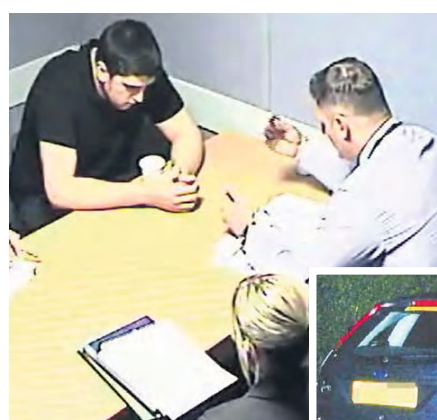

He then took the mattress in his car to the farmland where he burned it, along with other items, before returning to the flat and taking the barrel to his car.

He bought padlocks at an Asda store, then made his way to the farm where he arranged to rent two storage units for a week.

He moved the barrel into one of the units, covering it with a sheet and placing a bike wheel and paper shredder on top.

Shayne's on song for Corrie debut

X FACTOR winner Shayne Ward will set pulses racing when he arrives on the *Coronation Street* cobbles as Aidan Connor.

The pop heartthrob says he'll be keeping in good shape for his new role as a distant cousin of Michelle Connor, played by Kym Marsh.

His "nice but fiery" character makes his Weatherfield debut on August 21.

Shayne said: "I love my food but I have to keep in shape. If they want me to take my top off, it could happen!"

Shayne, from Clayton, was staying with his *Corrie*-loving mum when he heard he'd landed the role.

He said: "I was at my mum's the night I found out. The phone rang and they told me I'd got it."

"I said to my mum, 'I've got great news'. The smile on her face was incredible."

Aidan, who arrives to help Underworld factory boss Carla Connor, is rumoured to find romance on the soap with blonde barmaid Eva Price, played by Catherine Tyldesley, when she returns later this year.

Cheats like big boobed blondes

MARRIED men looking to have an affair prefer fit blonde students with big boobs and toned bodies, according to a "sugar daddy" dating website.

The findings have been revealed by Seeking Arrangements – a firm that matches wealthy older men with women.

It collected data from 486,000 of its online users to discover what traits make up the perfect mistress.

They found the majority of men looking to cheat prefer a mistress aged between 26 and 31, with blonde hair (61%), green eyes (47%), and an athletic build (33%).

They also desire non-smokers with a 32DD bust who enjoy drinking socially.

And 98 per cent of those who took part in the research also stipulated the mistress must be single.

STRAIGHT TALKING

FROM UKIP'S DEPUTY LEADER

Calais migrants CAN be kept out – by big fence!

● **ARTICLE 406** of the Education Act 1996 bans the promotion or pursuit of partisan political propaganda in schools.

That hasn't stopped the European Union producing a load of kids' comics with stories about how great the EU is – aimed for distribution across our education institutions.

One of the cartoons tells children that the way the EU spends its £101 billion a year is "watched very closely".

Yet funnily enough, they don't have the space to explain why the EU's accounts haven't been signed off for 19 YEARS.

And when asked how much these comics cost us taxpayers to publish, the EU said it couldn't identify a figure!

Children should be free to learn and grow at school without political indoctrination – hence why we have Article 406.

These comics are simply yet another example of how the EU tramples over British law.

IT'S estimated that **100,000** people bunked into the **Glastonbury Festival** in 2000.

As a result, the festival was cancelled in 2001 and the organisers were warned that something drastic had to be done to improve security if they wanted a licence in the future.

In 2002, they erected a 12-foot high "super fence" around the perimeter, which cost them roughly £1million.

By 2007, only ONE person was recorded to have bunked into Glastonbury without a ticket.

This was no mean feat and proof that bigger fences do work – which brings me neatly on to the problems we are facing in Calais.

A few weeks ago the Prime Minister told us that everything would be fine and we'd deal with the migrant problem because we were sending sniffer dogs and stronger fencing – which translates to a bit of chicken wire and pretty much sweet FA.

One of our UKIP MEPs, Mike Hookem, went over to Calais last

week to see this farce for himself. What he found were migrants running to get to the fence while attempting to avoid the very short arm of the French law.

Once they made it to the chicken wire – I mean "fence" – it was pretty easy to scale.

Travesty

In fact, Mike showed how simple it was by getting over the fence himself. Although he is a former Para, he's over 60 and got over with relative ease.

It just goes to show how easy it would be for any would-be migrant to make it onto the tracks.

The point here is that where there's a will, there's a way. If we really wanted to put a halt to this

travesty in Calais we could, but for some reason we don't.

Whether it's because we're scared of upsetting the French, the European Union or the right on progressive self-haters in our own country, I don't know, but something doesn't add up.

It is not beyond the wit of man to erect a fence as difficult to scale as the one at Glastonbury.

If they can reduce the number of people illegally getting into their festival by 99,999 by putting up a big bloody fence, then why can't we do the same in Calais? It's not rocket science!

We should also pay for signs to be put up right across northern Africa which say "You will not get into Britain" and people will stop coming – just as they stopped trying to get into Australia when the Aussies did the same.

There is a simple answer. It just takes you being prepared to make yourself unpopular around the dinner parties of the London liberal intelligentsia and a strong willpower to make it happen.

Unfortunately, I'm convinced Mr Cameron is NOT the man to do it.

WHAT'S ANNOYING HIM THIS WEEK?

Bikers on trains a pain in the saddle

IT'S 5.30pm and a train is screeching to a halt in a railway station near you.

You step forward towards the carriage, only for a blert reeking of body odour and adorned in Lycra and stupid headgear to barge past with his oversized bicycle.

You make it onto the train, only to then find your passage to the seats blocked by the very same twat in the hat standing imperiously in the vestibule.

Chances most probably are that he's wearing earphones and streamlined mirror SUNGLASSES, even though he's INDOORS.

Begrudgingly, dismissively, the dick on wheels moves his vehicle a half-inch to the left – allowing you just enough room to squeeze past while simultaneously using his pedal to slice through to the subcutis on your shinbone.

Of course, there are no seats

on which to sit. So you stand, bleeding quietly from the leg, and praying that somewhere out there, and sometime soon, the pedalling commuter is introduced to an almighty big truck.

Preferably a snow plough. Talking of trains, Labour leadership frontrunner Jeremy Corbyn and One Of The Others, Mr Eyebrows, say

they would like to renationalise the railways.

This is a proposal that always attracts public support because we're fed up of being ripped off by train companies.

Then we look to London, constantly under threat by the unions because tube drivers only earn £50,000 a year and so of course feel righteous enough to shriek "strike!"

● **UBER-posh** thespian Benedict Cumberbatch (right) is upset with theatregoers for daring to record his "work" on mobile phones.

Sensitive Benny says the red recording lights could ruin his performance, which is clearly a gift from God.

I can't wait to hear what he has to say about the studio cameramen and boom operators next time he's making a Hollywood movie.

Kelly and I were **NEVER** lesbian lovers!

BOSOM BUDDIES: Kelly and (below) Natalie are close – but not THAT close

NATALIE SETS THE RECORD STRAIGHT

By TOM RHODES

news@sundaysport.co.uk

BUSTY model Kelly Brook's ex-flatmate has denied claims they had a LESBIAN fling.

Liverpool-born actress Natalie Loren, 23, shared a luxury apartment with Kelly in Los Angeles last year.

The pair reportedly became "close" while the 35-year-old filmed NBC sitcom *One Big Happy*, which was later cancelled.

But Natalie, who posed **NAKED** for *Playboy* in 2012, says rumours they were "more than friends" make her laugh.

When quizzed about her sexuality, she replied: "What? Really? That is hilarious! Obviously it's not true. Funny though!"

The *Entourage* star, previously linked to actor Jared Leto, added: "She's back in London now."

"I miss our breakfasts together when she's not here."

"After Kelly and I went to the Oscars parties earlier this year, we ended up sitting in a diner on Sunset Boulevard."

Slurping

"We were slurping on Oreo ice cream milkshakes and burgers at two in the morning while wearing these beautiful dresses!"

Kelly, who is now a spokesman for US shoe brand Skechers, also shot down claims of a lesbian relationship.

She said: "If you could be a fly on the wall, you'd know that couldn't be further from the truth."

"I think it's absolutely hilarious that people are saying that!"

TRAN-GELINA!

Caitlyn Jenner: I wanna look like movie babe

DREAM: Caitlyn wants to be the next Angelina Jolie

SEX-SWAP star Caitlyn Jenner has revealed her dream is to look like Hollywood A-lister Angelina Jolie.

The 65-year-old former bloke will make the announcement on her upcoming TV show *I Am Cait*.

It has been reported that Caitlyn, formerly known as Bruce, has already hired the Hollywood actress's stylist to help copy her hair and make-up.

And the transsexual, who is officially living as a woman, has already begun copying the 40-year-old's fashion choices.

Surgery

A show spokesman said: "Caitlyn keeps a close watch on the way Angelina carries herself at red carpet events and also follows the fashion statements she makes."

During the show, friends also tell how Caitlyn has shown an interest in going under the knife to try to copy

the facial features of the *Tomb Raider* brunette.

A pal tells the camera: "Caitlyn has made no secret of the fact that she is interested in plastic surgery."

"She sees it as the very final phase to complete her transition from man to woman."

"From the moment she started dressing as a woman, people have commented on how much Cait resembles Angelina."

Hog

"Now she's pretty much determined to go the whole hog."

Olympic medal-winner Bruce Jenner shot to fame in reality series *Keeping Up With The Kardashians* alongside step-daughter Kim.

He officially changed his name and gender earlier this year after divorcing Kris, 59, his wife of 23 years.

Riddle of man with torch stuck up bum

A MAN who had a foot-long torch stuck up his arse refused to tell doctors how it got there.

He went through a complicated two-hour operation to remove the plastic flashlight-shaped object with a 2cm diameter.

Doctors at the First Affiliated Hospital of Guangzhou's University of Chinese Medicine had to remove it by cutting into his abdomen.

Sun Feng, one of the doctors at the hospital, said: "In my 10-year career, I have only seen two such cases. The last one involved a chef who had a large cucumber stuck in his anus."

Chelsee looks fit to BUST!

HERE'S a side of Chelsee Healey we'd like to see more of.

The busty brunette was snapped falling out of her dress on her way to a dinner party in Manchester. Actress Chelsee, who starred in *Waterloo Road*, was celebrating her 27th birthday with pals.

One onlooker said: "That's one way to make a tit of yourself."

Juicy Lucy's just tan-tastic!

her feel **PEC-TACULAR!** Lucy, 23, claims she "felt herself getting fitter" during last year's show - and has now launched her own weight-loss website, Results With Lucy. She said: "I've

never sweated so much in my entire life! I'm pouring the whole time.

"I'm using muscles I never knew existed. I like it when I feel strong - it makes me feel more confident.

"I can't wait to get into a bikini and show off my body after five hours a day of gymnastics training!"

"It sounds a bit wild doesn't it, but he was a really nice guy and looked amazing for his age. I was a precocious sixth former eager to learn and he was an amazing teacher!"

"At the start of that summer I had never seen a naked man and by the time I went into U6 I was an experienced lover with a taste for sex that extended to a**I and even bathroom play! What a little slut!"

"I reckon the whole experience has had a lot to do with why I love being with younger guys...call it returning the favour, if you like!"

"I have a couple of guys I can call upon when I need some c** inside me but most of the time I'm content to just have fun with my phone, swapping texts and rude photos with complete strangers. I've got one-handed texting down to a fine art now...the other hand is generally otherwise occupied! I hope this ad will mean more guys will text me!"

Cop shone light in van to catch teaching aide bonking boy, 16

A TEACHING assistant has been arrested for shagging a 16-year-old pupil from another school.

Rachell Silva was caught as she mounted the boy while parked up in a van on a public road.

A suspicious cop shone a light into the vehicle and saw the 40-year-old brunette having sex with the teenager.

Silva, who told police she knew he was only 16, was arrested at the scene for improper relationship between an educator and student.

Silva, a teacher's aide at Thomas Haley Elementary School in Irving, Texas, worked with students aged from four through to fifth grade.

The boy is a student at an Irving ISD high school. They did not know each other through their roles in the district.

Silva has since been sacked from her job.

Cumberbatch is one in a million for BBC

BENEDICT CUMBERBATCH helped the BBC iPlayer Radio app to top one million downloads in less than a month.

The Beeb launched a new 30-day download function on the app last month, and Radio 4's drama output has proved to be hugely popular.

Their dramas – including Cumberbatch in *Rumpole Of The Bailey*, as well as *Diamonds Are Forever* and *Silk: The Clerk's Room* – have been downloaded a combined total of 81,000 times.

That figure far outstrips Radio 1's Summer Mix, which was downloaded 47,446 times, while long-running soap series *The Archers* notched up 45,314 downloads.

Andrew Scott, boss of BBC Digital radio and music, said: "We knew there was a demand to download BBC Radio and Music content for people to listen to whenever they wanted."

"But hitting one million downloads across the board has far surpassed our expectations."

The **SIX** words women **HATE** most!

By ANN COATES news@sundaysport.co.uk

MOST men have a special place in their hearts for the word "moist" – but it seems women don't agree.

In fact, it has now topped a list of the SIX words women find most unbearable.

Underwear company Knix Wear asked 500 women which words make them cringe whenever they hear them.

And the results make interesting reading, with a majority of the worst offenders having a sexual element to them.

Language psychologist Paul Thibodeau, PHD, explained: "The common denominator seems to be disgust, either toward bodily functions or sex."

Unsurprisingly, a whopping 77 per cent of respondents put down "moist" as one of their least favourite words.

There's a Facebook group called "I Hate the Word Moist" which boasts 7,000 followers, while in a Mississippi State University poll, "moist" was named as one the ugliest words in the English language.

Coming a close second was "squirt". Once again, researchers believe this is due to the fact that

THE SICKLY SIX

1. Moist
2. Squirt
3. Panties
4. Chunky
5. Curd
6. Flap

"squirting" is slang for female ejaculation.

Just over half of the women put "panties" at the top of their list, followed by "chunky", "curd" and "flap".

Showbiz sex rumours are just in-Zayn!

LOVERS?
Nicole is now dating Ed Sheeran

SPLIT: Zayn is said to have dumped Perrie by text

WHAT'S up with celebrity couples at the moment – they need their heads banging together.

It came out this week that Zayn Malik apparently dumped his Little Mix fiancé Perrie Edwards by TEXT.

I have said it before, I'm certain he was pussy-whipped by her. That's why he left One Direction because he couldn't handle her thinking he'd cheated.

So for him to dump Perrie like this makes me think there has to be another love interest involved. Give it a few weeks and we'll see.

Then, a few days later it gets even weirder – we were told Nicole Sherzinger is dating Ed Sheeran – what a load of bollocks!

This woman is so annoying – she needs to find someone her own age and go and have a few kids. Nicole just comes across as desperate to me.

She's like an old woman trying to be something she's not. Don't get me wrong, Ed might be a fantastic person but there's absolutely no way she actually fancies him.

IT was my birthday this week. I turned 37 – and before you ask, no, I don't feel that old. But someone had the cheek to call me a granny on Twitter.

I couldn't believe it but I replied and told him I couldn't wait to get old – the granny's make much more money. I mean, just look at Wayne Rooney!

To celebrate I went to my favourite Japanese restaurant with my sister and my niece. Then I went to an old school drum and bass rave on Saturday – it took me right back to my younger days! By Sunday I was shattered and had eaten too much birthday cake so I thought I would try out a new trampoline park that opened near me called AirHop. It was so much fun bouncing around – but I had to make sure I kept my boobs strapped down.

And after weeks of flashing the builders at my new house I have finally had the blinds fitted – I they were a bit gutted though!

You need to let the anger go, Katie!

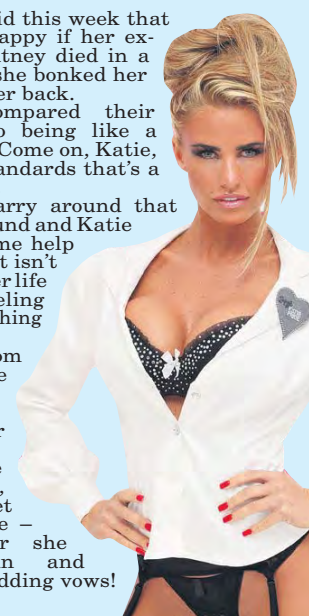

KATIE Price said this week that she would be happy if her ex-BFF Jane Pountney died in a car crash after she bonked her hubby behind her back.

And she compared their sordid affair to being like a double murder! Come on, Katie, even by your standards that's a load of claptrap.

It's bad to carry around that kind of hate around and Katie ought to get some help to deal with it. It isn't going to make her life any better feeling like that and wishing people dead.

I know from experience she would feel a lot better without that s**t on her shoulders.

I think she should let it go, forgive and get on with her life – especially after she forgave Kieran and renewed her wedding vows!

Mario will make it big!

SAD to see Mario is quitting Towie – he was probably the hottest guy on it.

I mean we all remember when he dropped his towel in front of Lucy after coming out of the shower...But I think he will go on to bigger and better things now. Just look at Mark Wright and his wife – they're making the move to Hollywood.

Towie is definitely a programme that opens a lot of doors for people and I think we could be seeing Mario on the cover of something like *Men's Health* in the future. He's a really good looking fella, he could give modelling a go. I don't think he will have any problem getting work now he's left.

I COULDN'T believe people were slagging off Rita Ora this week over her new single with Chris Brown.

I know a lot of people in the music industry and from what I've heard there are always two sides to every story.

I think Chris Brown has paid the price for what he did and his career was ruined for a while. He has had to rebuild himself and in my opinion everyone deserves a second chance in life.

But to slag off another woman for working with him is just not right. She works in music and is judging him on his singing and talent – it's a business decision at the end of the day.

GOT YOU LICKED:
 Lana with her dating show mates

LUSCIOUS Lana Parker is looking for love on E4's hot new dating show *Young, Free & Single*.

But if these sizzling TOPLESS snaps are anything to go by, the Surrey scorcher will have no problem finding a bloke!

Glamour model Lana, 25, is taking part in the cheeky interactive dating programme, which follows six sexy singletons trying to get lucky in trendy East London.

Later, they watch their dates back LIVE with host Steve Jones, 38, who will then scrutinise their behaviour and offer advice as they re-live every kiss, cringe, or car crash date.

Perfect

Lovely Lana describes herself as "clumsy, silly and awkward", and was dumped by her ex-fella when he left for university last year.

But we reckon she'd be the perfect girlfriend – because the 32DD beauty confessed she doesn't like fancy dinners and would rather "skip straight to the bedroom!"

She insists it's all about the right chemistry with a fella and previously told the *Sport*: "Do I like being wine'd and dined? I don't mind skipping straight to

Sex with me will blow your mind!

the bedroom on occasion if it's with a boyfriend.

"It's amazing when you're so into someone that you can't wait to get them naked!

"I've been with guys before who I literally can't help myself around.

"And being honest, I've burnt many dinners by hopping straight into bed and forgetting about it.

"So yeah, skipping the fancy dinner doesn't bother me!"

She also reckons that sex with a boyfriend is a LOT better than drunken one-night stands, adding: "I'm more of a relationship girl, I always have been.

"And the sex is so much better too – and I also find I get a lot naughtier with a long-term partner.

"When you trust someone, you can push the boundaries in the bedroom and find out exactly what makes each other tick.

"I love being so comfortable with someone that I can confess all my deepest fantasies – and possibly play them out too.

"One-night stands are not much fun. You're usually drunk and you never see them again, so I don't see the point."

Lana, who works as a glamour agency talent booker, also spilled the beans on her rampant sex

drive – and even admits to steamy, all-night romps!

She continued: "Having sex all night can be so fun and so satisfying, but sometimes you just need a quick release.

"I think it depends on the situation too. If you're in a place where you can only get away with a quick shag, a quickie can be really fun.

"But if you've got all night together, I love to take my time and do it all over again."

Speaking of her dating history on the show, Lana said: "I wouldn't describe myself as sexy – unless you like falling over, in which case you're on to a winner!"

Bored

"I'm so awkward on dates I think because I don't like there to be silences, so I just fill them with any random crap you can possibly think of.

"Usually, it's anecdotes about my cat, which doesn't go down that well, but now I'm bored of spending so much time with my cat.

"My cat decided that my leg is more tasty than Go Cat, so now I definitely have to move on and find a boyfriend who hopefully won't bite me.

"My last boyfriend, we broke up because he was going to uni,

we always knew he was going to university.

"Obviously, we broke up. It was a mutual decision to break up. He made the decision mutually on his own...

"Currently I work in the glamour industry. Don't really know how it started!

"Maybe one of the reasons I don't get asked out on dates is that you can type me into Google and see my boobs – and there you go, you don't have to spend £10 on a

kebab at the end of the night to see them!

"But then, you don't get all the personality, do you?"

Followers of the E4 show are being encouraged to get involved.

While each of the singletons is searching for 'The One', viewers will be able to give feedback via Twitter.

with only a few shells to cover her exposed fanny.

The 25-year-old said: "I love being at one with nature."

"Animals have always been very important to me and rolling around naked outdoors makes me feel closer to them."

"Though sometimes I get a little prick in my bum if I lie in the wrong place!"

Body found in search for Lennox boyfriend

A BODY has been found in the search for Ian Jones, the boyfriend of Annie Lennox's daughter, who has been missing since a kayak accident in the US.

Tali Lennox, 22, and photographer Jones, 32, were on the Hudson River, north of New York, when their kayak capsized on Saturday morning.

It is understood they managed to cling on to the vessel for up to 20 minutes before they were separated by the current.

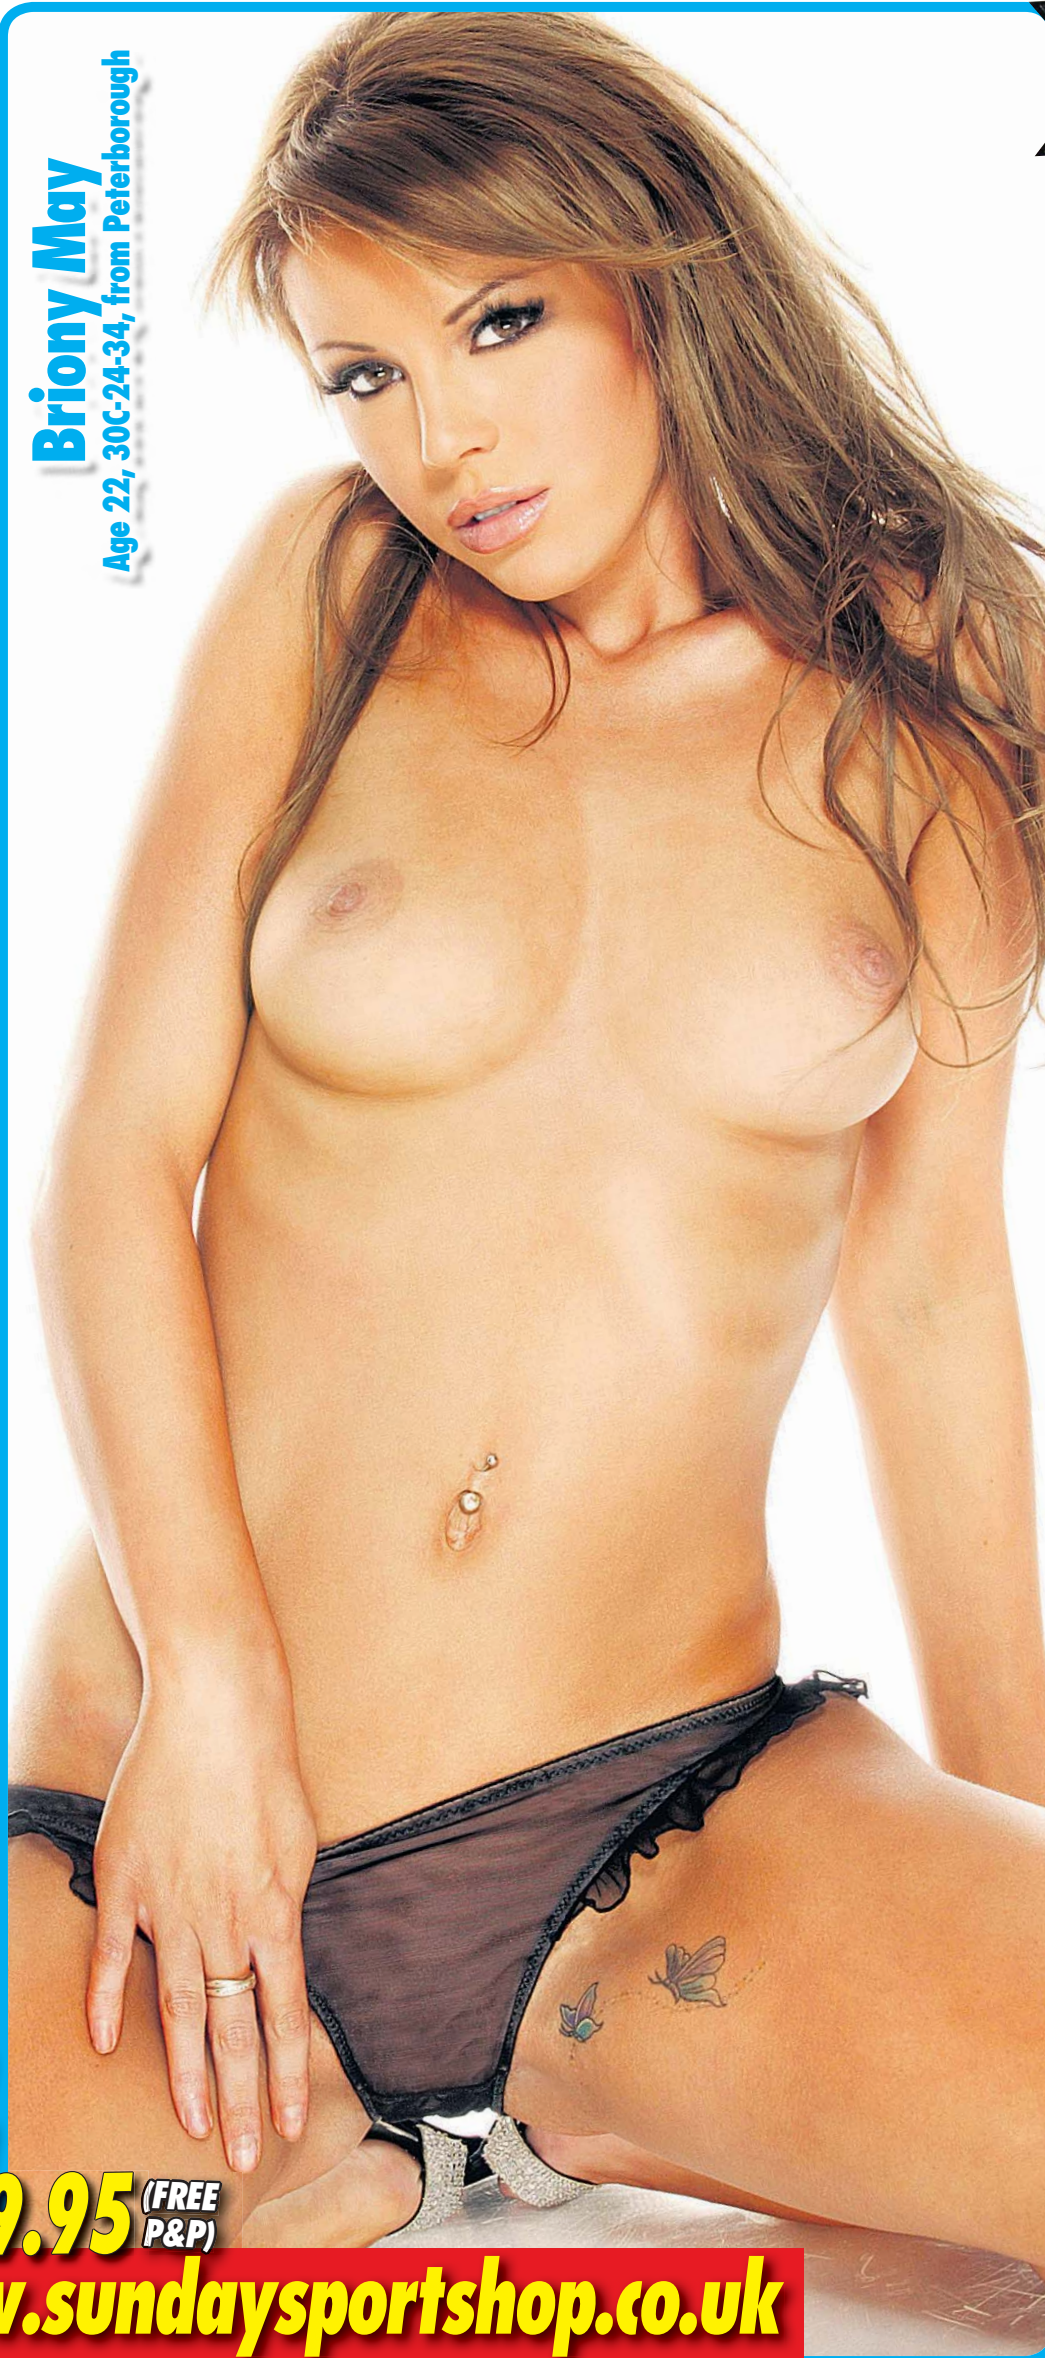

Model and artist Tali (above) was rescued by a passing boat and police began looking for Jones.

A spokesman for Dutchess County Sheriff's Office confirmed a body had been found and the search for Jones stood down, though there had been no formal identification as yet.

Police said the pair had not been wearing life jackets and that strong currents in the Hudson River are thought to have played a role in the kayak capsizing.

Marine patrols and dive teams had been involved in the search along with a New York State Police helicopter and numerous officers on foot and in boats.

X Factor

Caz: I'm glad I shagged Harry!

By JESS GALLEY jess@sundaysport.co.uk

CAROLINE FLACK confessed she has no regrets about bonking Harry Styles.

The 35-year-old TV presenter says she'd never apologise for her fling with the One Direction star – despite their 14-year age gap.

Caroline and Harry dated for four months between October 2011 and February 2012 when Harry was just 17.

Caroline, who will present this year's *X Factor* alongside Olly Murs, met toy boy Harry when she was host of ITV2 spin-off show *The Xtra Factor*.

Their brief relationship saw her labelled a cougar – but Caroline says she can now understand why people were so shocked.

She said: "It felt like people were out to get me because Harry was so much younger."

"But dating him taught me so much about life. I'm never going to apologise for it because it was nothing bad. No one was getting hurt."

"Mind you I can see why people went 'Oooh, look at that!'"

The *Strictly* champion – who is currently single – dated another younger man in 26-year-old music producer Jack Street, before they split at the end of last year.

TUVA NOVOTNY

Dumped hubby 'sorry' for burning ex-wife's clothes

A JILTED husband set his former wife's clothes on fire. David Honeybell, 49, of Wollaton, Nottingham, admitted arson after Sarah, his wife of 23 years, found another man. Previously, he also admitted posting naked pictures of her on Facebook after he found out about the affair. Honeybell told Nottingham Magistrates Court he was "upset and sorry" for setting fire to her clothes on June 4 this year, as well as harassing her by sending her 18 text messages and leaving six voicemails on June 16. District Judge Morris Cooper handed him a community order as well as a restraining order. At a previous hearing, Honeybell admitted posting the naked pictures of her on social media, as well as threatening to send them to her workplace. Speaking after the case, he said: "I can't justify it. When you think back, I should not have done it. It was impulse."

THESE two naughty Norwegian TV stars give stripped down performances in the latest Euro crime thriller.

Sexy Swede Tuva Novotny and Agnes Kittelsen, both 35, are turning up the heating on Sky Arts comedy Dag.

By **SAM WALKER**
samw@sundaysport.co.uk

The series follows loner marriage counsellor Dag who is struggling with his own love life while trying to run a successful practice. The two actresses are already household names in mainland

Europe. And these saucy scenes are bound to help them hit the spot over here. One source said: "With that much talent in one show Dags is bound to gain a huge male following." Dag first hit TV screens in 2010 and is now in its fourth series.

...AND HERE ARE THE BOOBS YOU DIDN'T SEE LAST NIGHT!

CELEBRITY Big Brother star Casey Batchelor was a guest on BBC Three's *The Totally Senseless Game Show* this week. The comedy, hosted by Martin Dougan, explored disability by 'disabling' famous contestants with blindfolds in several wacky challenges. Glamour model Casey, 30, was joined by T4 presenter Rick Edwards, Olympian Greg Rutherford and Sugababe Amelle Berraba for Monday night's episode. **Jaws star:
Drugs and
sex almost
ruined me**

JAWS star Richard Dreyfuss has admitted he was addicted to drugs and SEX.

The 67-year-old actor shot to fame following his role as oceanographer Matt Hooper in the 1975 horror classic.

But after landing an Oscar for hit *Goodbye Girl* two years later, New York born Dreyfuss said steamy sex sessions and boozy benders took over.

Dreyfuss said he only settled down after walking away from a car crash which wrecked his Mercedes.

Speaking at the Sundance Film Festival ahead of the *Jaws* 40th anniversary celebrations, he said: "I was a yeller and a screamer and a drug taker."

"I was drinking and having sex with people I shouldn't have been having sex with."

"It lasted about two or three years and then I stopped it."

Jaws, which also starred Roy Scheider, follows the residents of Amity Island who come under siege from a large Great White shark.

BABE-FILLED REALITY SHOW

TRIPLE-X

IT isn't hard to see why these SEXY SINGLES were handpicked to star in the new series of *Ex On The Beach*.

These gorgeous girls will be stripping down on our screens for the next eight weeks on the hit MTV show.

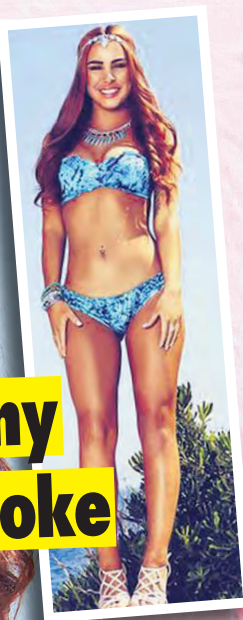

And if these steamy snaps are anything to go by, it's set to be the RAUNCHIEST series yet.

American Cami Li, who starred in last year's *Celebrity Big Brother*, will be flaunting her 32Es.

And the alternative model will be joined on the island by her equally

tattooed ex, and former TOWIE star, Kirk Norcross.

They will be joined by filthy Geordie Vicky Pattison, who appeared on the show's first series with former fiancé Ricci Guarnaccio.

Racy

And Zumba instructor Amy Cooke could be one to watch after she made the cheeky confession that there is NOTHING she wouldn't do on TV.

Self-confessed plastic surgery addict

Laura Summers, from Manchester, will no doubt be showing off her enhanced norks.

Laura has spent more than £150,000 on altering her body after being bullied as a child.

And she revealed that when she was born she couldn't be defined as either male or female.

The racy reality series – which sees a group of singletons stranded on a desert island with their exes – has proved a smash-hit with viewers and returned for its third run this week.

The show first launched in February 2014 and the second series aired in January this year.

Teacher who bonked pupil will be jailed

A SCHOOL Miss has admitted bonking one of her pupils.

Amanda Basile pleaded guilty to shagging the 18-year-old boy after meeting up with him outside school hours.

She has been told she will be going to jail as part of a plea bargain which saw her admit a fourth degree felony.

Basile could be imprisoned for up to 18 months and fined up to \$5,000, and she will have to register as a sex offender for life.

The 31-year-old resigned from Warren G Harding High School, in Youngstown, Ohio, after admitting she engaged in the sex act with the student outside of school hours.

Warren police referred the matter to Austintown police because the crime occurred in Austintown.

A police insider said: "The law is the law. Many people think because this was consensual and the boy was 18, this isn't a crime.

"But she is in a position of trust and she abused that."

Probe after man found dead in prison cell

AN investigation has been launched after a 29-year-old man was found DEAD in his prison cell.

Shalane Blackwood, from Sinfen, Derby, was found unresponsive at HMP Nottingham on the morning of Wednesday, August 5.

The cause of death is unknown and a file is being prepared for the coroner.

Blackwood was jailed for conspiracy to possess a shotgun in August 2012 and was on licence recall.

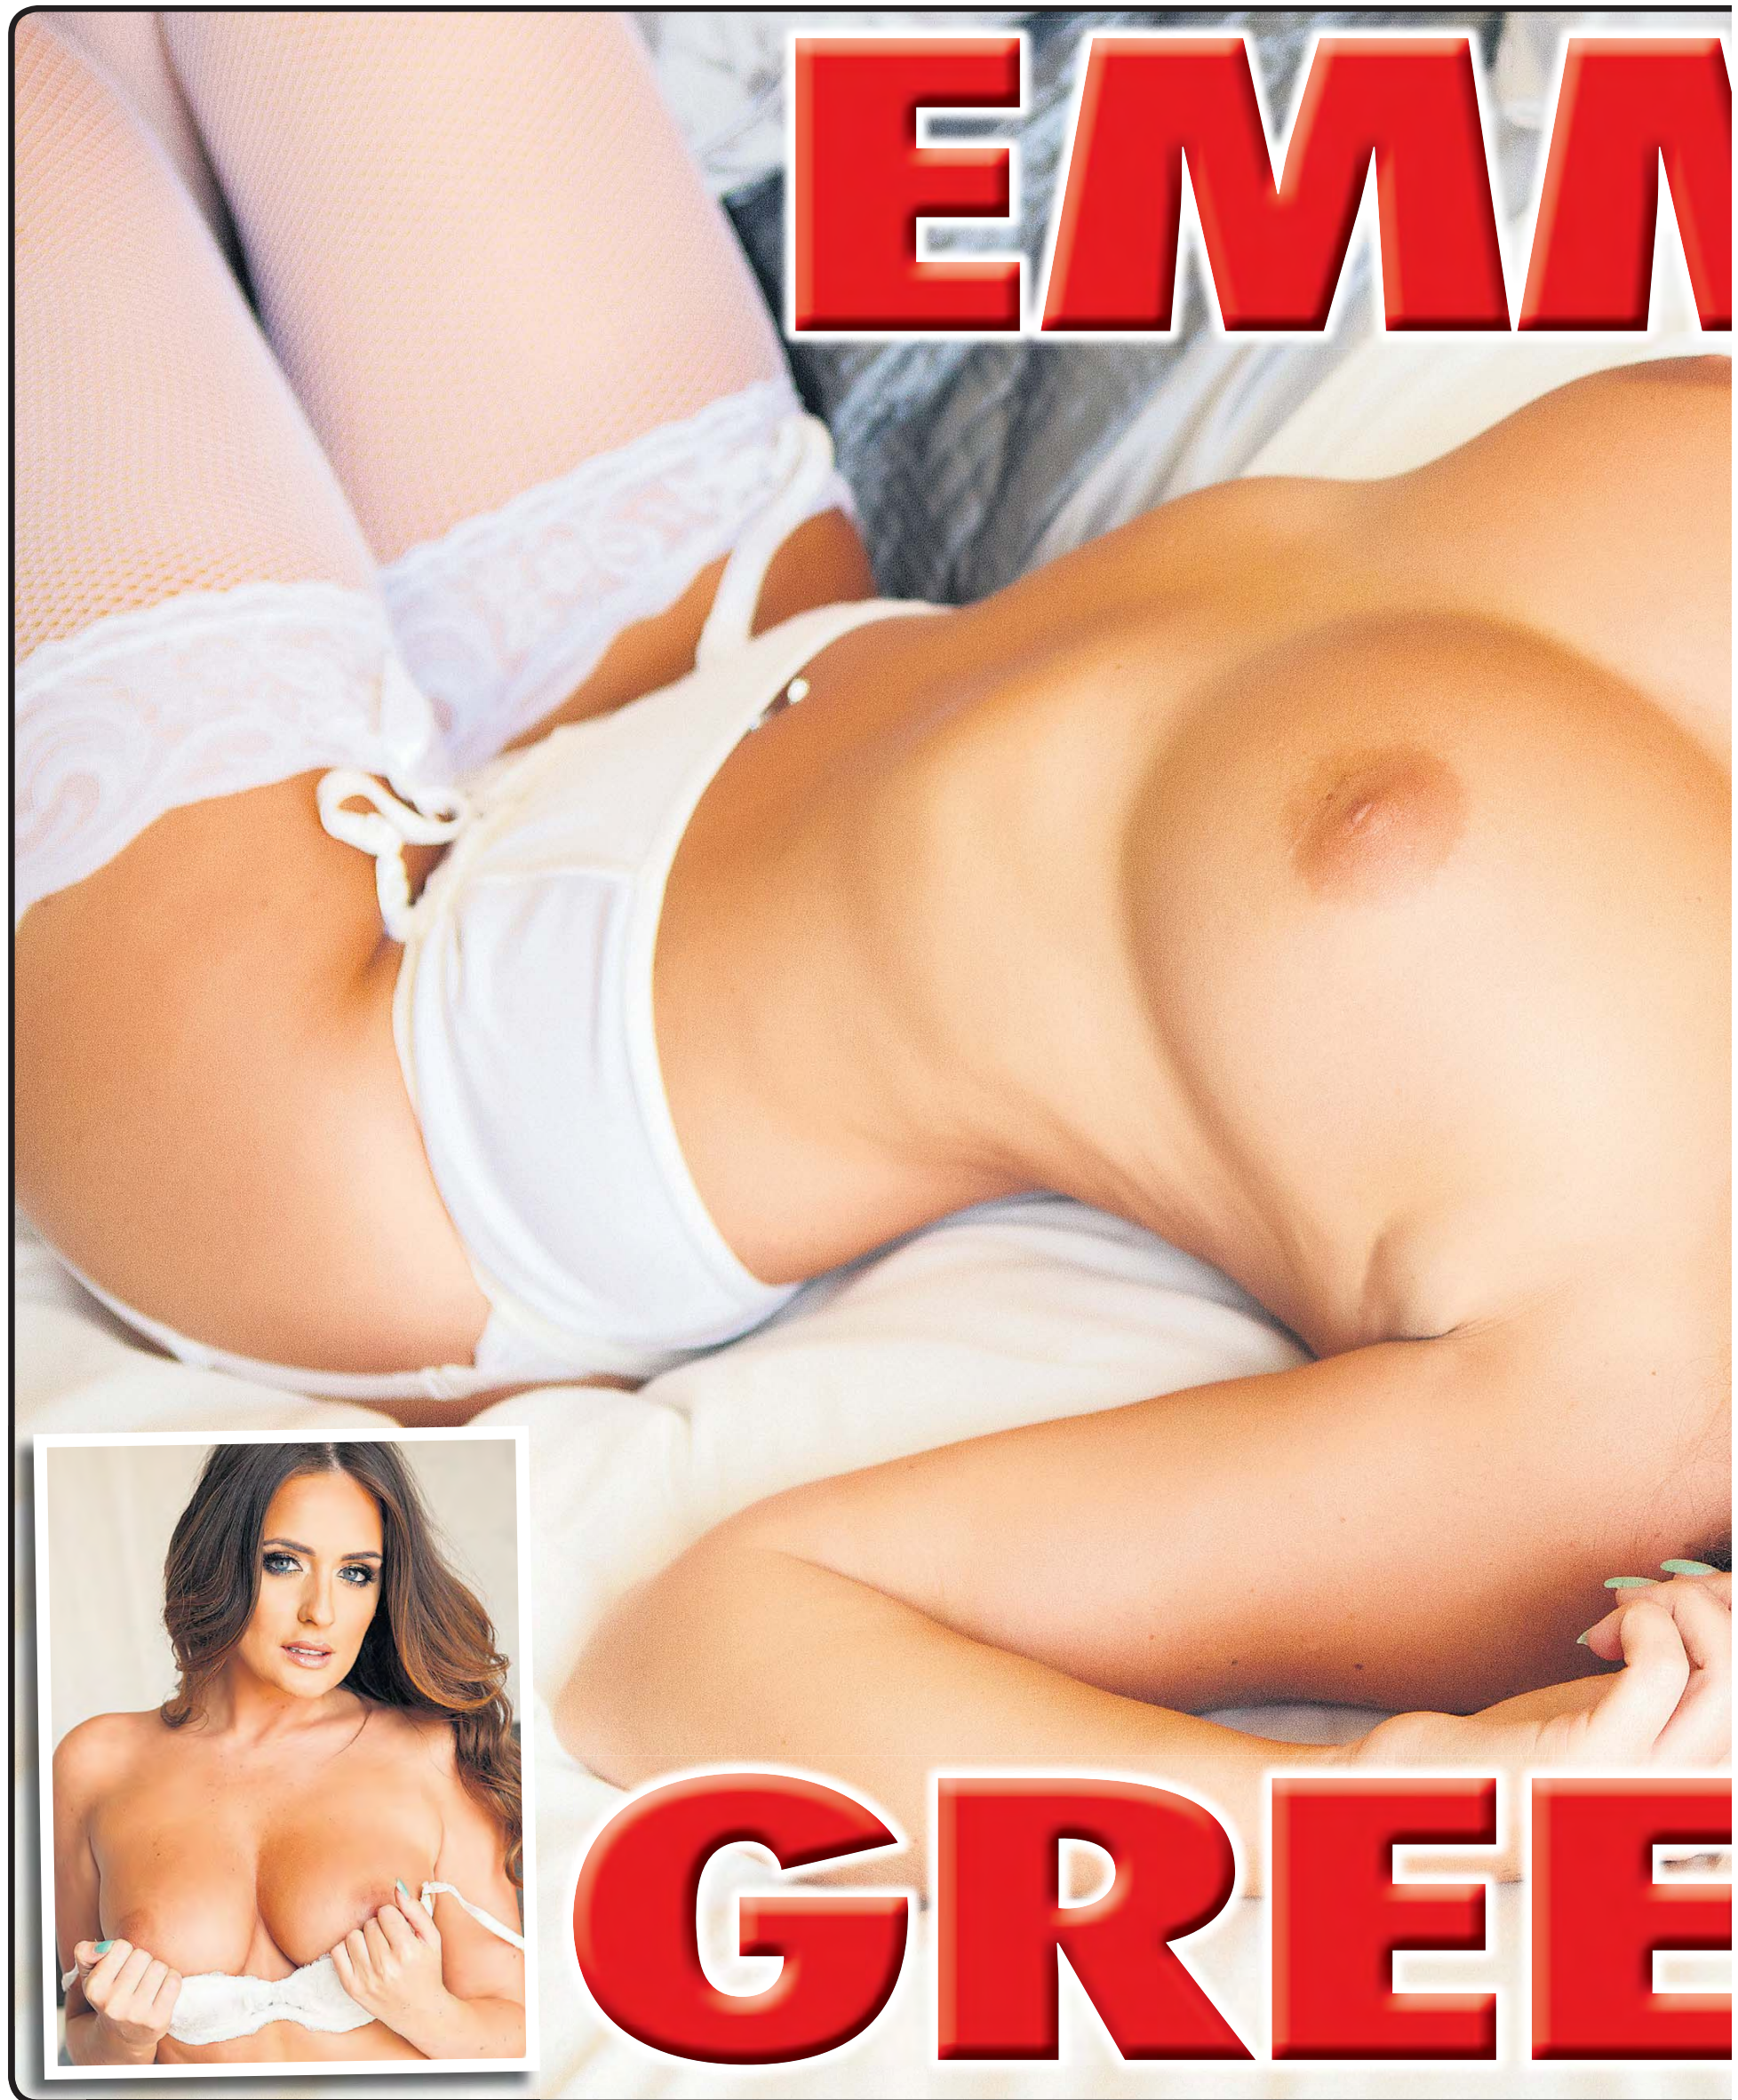

A Prison Service spokesman said:

"Cardiopulmonary resuscitation was attempted but he was pronounced dead at 6.52am by paramedics.

"As with all deaths in custody, the independent prisons and probation ombudsman will conduct an investigation."

SEXY Emma Green made the kinky confession that she LOVES a bit of BUM PLAY.

The gorgeous glamour girl, from Glamorgan, Wales, says her favourite position is doggy style – and she loves her man to be ROUGH between the sheets.

All-natural Emma, 26, admits that she loves a good SPANKING and enjoys having her man play with her bum while he takes her from behind.

The 32DD babe said: “Doggy style feels better than any other

position for me – you get deeper penetration.

“Plus, I love having my bum played with and being spanked while we’re at it – so that’s two turn-ons in one!”

“I always find it’s great for the guy, too.

“I really like having my arse cheeks squeezed and slapped really hard.

“I love a bit of roughness. I like to be thrown about a bit.”

LESS than half of Brits shag as much as they want, a sex poll has revealed.

A new study has shown that only 45 per cent of people are satisfied in the bedroom.

And a ball swelling 51 per cent admitted they haven't got down and dirty in the last MONTH.

But psychosexual Therapist Cate Campbell said not getting enough might be down to your ATTITUDE.

She said: "It's sad that so few people are sexually satisfied and put pressure on themselves to perform."

"Sex definitely doesn't have to be disappointing – there's plenty that can turn your situation around so you can enjoy a sustained, fulfilling sex life."

"People may feel concerned if they haven't had sex in the past month, but there are plenty of other ways to be sexy that don't involve full intercourse."

Flirting

The figures were gathered by relationship charities Relate, Marriage Care and Relationships Scotland.

They advise getting your partner hot under the collar by flirting on the sofa, regular lip locking sessions and talking about your fantasies.

A study into sexual attitudes also found that young people are at it more often.

Twenty per cent of 25 to 44-year-olds admitted having a shag in the last month – less than half the average figure for all age groups.

Sport stunna Candice Cresswell doesn't understand why people are going short. The 21-year-old 32B Buxton babe said: "I love sex and when I want it I make sure I get it!"

I love putting on filthy public shows to get guys horny

LUSTY Lucy Li says she's a **NYMPHOMANIAC** – and doesn't care who sees her getting down and dirty!

The busty, self-confessed exhibitionist loves risky romps in the great outdoors – as long as there's an audience.

The 34C glamour model, originally from Munich, Germany, admits she gets turned on by putting on an X-rated show for kinky voyeurs.

The 21-year-old confessed to *Midweek Sport* that she worries about being arrested – but that it doesn't stop her saucy antics!

The sultry brunette said: "It started when I was feeling really horny one day while sunbathing on the balcony at my apartment."

"I noticed there were a couple of builders working next door who were checking me

By **CLAUDIA TANNER**
claudia@sundaysport.co.uk

out, so I began rubbing myself sensually with sun lotion.

"I kept checking out their reactions – and the pair of them were grinning like Cheshire cats!

"I just love the power of being sexy and flaunting it!

"And it was such a turn-on that the guys were getting horny watching me.

Excited

"I was feeling really daring that day so, knowing I had their full attention, I began stroking my nipples.

"I was getting so excited that I got really carried away and slipped a finger inside my panties and started playing with myself.

"The builders had their tongues hanging out and I'm sure they wanted to join in!

"I almost invited them over

for a **THREESOME** – but the flat owner suddenly appeared, so I had to cover up.

"Since then, I often put on a similar show when I'm at the park or the beach – so long as there's no families about.

"Usually I wait until a group of blokes catch my eye, then I start touching myself.

"Sometimes, if they're really good looking, I'll even invite them back to my flat!

"I also enjoy bonking in the sea or swimming pool when I'm on holiday. And sex in a jacuzzi is just amazing!

"It's such a rush knowing someone could be watching you. It gets me horny just thinking about it.

"I also love logging on to free webcam sites and giving total strangers a little sexy performance!

"I have a genuine passion for showing off my body. All my friends reckon I should be a porn star!

"As I like to say, 'If you've got it, flaunt it!'"

Guitar lesson ended in a good plucking!

Dear Morgan,

I DECIDED to learn the guitar and you can imagine my surprise when the teacher who turned up on my doorstep was a very fit young woman.

She was a good musician, too, and soon had me playing the basics reasonably well.

It was after a few lessons that I plucked up the courage to suggest to her maybe I could try a bit of an air on her G-string.

I knew it was a corny line, but she was a good-looking woman with a lovely figure and I thought it was worth a go.

Well, I must have plucked the right chord because she agreed to a shag right there and then.

We stripped each other naked

and we were soon making sweet music together.

She climbed on top of me and started sliding up and down my love-rod like the clappers.

She rocked her head from side to side and her tits jiggled up and down in time to her screams of pleasure.

The rhythm of her up and down movements were just right for the rock number I was composing in my head.

Licking

And she reached the end of the movement when my cum spurted up inside her pussy.

She climbed off and then set to work licking and sucking my cum and her own love juices from my dick.

I decided it was only right that she should finish off this particular lesson on a high note.

So I parted her legs, pushed

them back over her shoulders and plunged my tongue as far as I could in to her sopping fanny.

It had the desired effect and she thrust her hips forward to get my tongue as far in as possible while moaning with pleasure.

Just as she was about to release her love-juice I pulled my tongue out and rammed my rock-hard dick inside her, pumping away until we both spurted.

After, she told me she always shagged people she was teaching guitar and said her friend, who teaches piano, does the same.

I thought I might take up the piano some time soon. What do you think?

KT, Bristol

Morgan says...

WHAT about the one who teaches trumpet? She could give your horn a good blow!

Letter of the day

Dear Morgan,

MY ideal type of man is in his mid-40s with neat dark hair, a kind face, is charming and witty and, most important of all, has barrel-loads of money.

The trouble is, I can't seem to find a bloke like that, no matter how hard I try.

All I seem to end up with are blokes who want to get my knickers down and give me a quick one in the back of a car, or else in the doorway of the block of flats where I live.

Have you any ideas where I could meet the ideal man – a man with a good, thick prick who can last and last for hours on end, a man who when he cums shoots out for ever and ever, a man who knows how to really lick pussy until I am sobbing and crying with the passion and having the best orgasms of my life?

Please, do you know where I can find a man like that?

JG, North London

Morgan says...

YOU must be joking. And even if I did, I'd keep him to myself!

Quiz prize was a tit w**k

Dear Morgan,

I WENT to a quiz night recently with my mates at a pub new to us.

We were surprised to find that the quizmaster was, in fact, a quizmistress with short blonde hair and glasses, which gave her a strangely sexy intellectual appearance.

We would have won but for a dispute over one answer. I tackled her and she threatened to bar me.

But she said it with a twinkle in her eye and I told my mates to go without me as I'd pulled.

I was dead right as this brainbox took me home, where I asked her for a blowjob.

But before she would suck me off, I had to answer a pretty stiff question.

Then she took her blouse and bra off, revealing her firm breasts which she applied to my knob, giving me a fab tit wank.

I want to hit the jackpot with her and she's given me a list of questions to complete.

But they're very hard. What can I do?

KC Glasgow

Morgan says...

CHEAT! Use the internet.

BUY WITH CONFIDENCE FROM THE LARGEST WHOLESALE OF ADULT GOODS IN THE UK

Dear Morgan,

I'M 18 and have just started taking driving lessons. My instructor is about 40, blonde and really sexy.

For my second lesson she wore a really skimpy low-cut top, which showed off her massive tits, and a short skirt.

Needless to say, I found it really difficult to concentrate on my driving with a massive hard-on.

For my third lesson she told me to drive into the country. When we parked up in a lane I thought it was to practise some manoeuvres.

We did – sexual ones.

She took her top off and just as I was about to grab hold of her tits she unzipped my pants and started sucking my dick. It was as if all my dreams had come true.

After I'd come all over her tits, she took her knickers off and lay down on the back seat. She spread her legs and I started pumping her.

Since then, we have a shag after every lesson.

The only problem is that she's put me in for my test, but if I pass there will be no more sex sessions.

What do you think I should do?

PT, Merseyside

Morgan says...

YOU could always fail your test on purpose!

Dear Morgan,

I'VE been having a clear-out of my vids as everything seems to be on DVD these days, if not BluRay, and I'm about to junk the old video player.

I found one or two old pornos and sat down with a beer to view.

I was well into it when the wife came in and caught me with my cock in my hand.

She cried out in horror, but I saw the glint in her eye and it wasn't long before she was bouncing on my hard dick.

Should I keep my vid collection?

KN, Herts

Morgan says...

SOUNDS to me like you've answered your own question!

SHOW ME THE HONEY!

WELCOME to the interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

BECKIE BROWN

BECKIE Brown's whoppers are the choice of security guard Mike Jones, from Glasgow.

The natural 34B stunner, from Croydon, is 34-year-old Mike's favourite pin-up and he said he loves seeing her pert little norks in the *Sport*.

Mike wrote: "Please bring back Beckie Brown – I love gawping at her topless snaps. "Could you publish a photo of her just for me."

AIMEE LUIS

MECHANIC Danny Atherton begged to see Aimee Luis' 32E knockers in this week's *Show Me The Honey*.

The 28-year-old, from Sheffield, picked busty beauty Aimee, from Broxbourne, and said her fake whoppers really get him going.

He wrote: "Aimee is my perfect woman with her big boobs and gorgeous body. "I love watching her filthy videos. "But I haven't seen her topless in the paper for ages. Would you publish a cheeky pic just for me?"

ANIKKA CARR

SEXY Anikka, from Northampton, was requested by traffic warden Tim Edwards – because he just can't get enough of her 34D baps!

The 42-year-old, from Manchester, said he has missed seeing sultry *Sport* babe Anikka, 24, in his favourite paper and is gagging to see her topless again.

He wrote: "Please could you publish a photo of Anikka Carr in this week's *Show Me The Honey*?"

"No one else does it for me the way she does – and it's been ages since I saw her boobs in the paper."

DOGGY STYLE IS A BRIT OF ALL RIGHT FOR OUR GIRLS!

Kelly Tucker says...

GIRL on top is No.1 for me. I like to be in control in the bedroom and straddling a man in cowgirl ticks all the boxes.

I love to dominate a man. Hopping on top and pinning his arms down while I ride him really turns me on.

Sara Webber says...

I LOVE my partner to surprise me and take me from behind once in a while.

There's something so sexy about being bent over by a man. I just LOVE being on all fours doggy style.

A KINKY sex poll has revealed that British girls love to take it from BEHIND.

"Doggy style" was the answer that came out on top in a recent survey which quizzed Brits about their favourite sex positions.

The poll of 1,000 people by sex toy company Ann Summers revealed that more than a quarter of Brits want to be bent over in the bedroom.

Girl on top was a close second, with 23% saying they preferred to take control between the sheets.

And missionary came in third place with 20% favouring the position.

Animalistic

And one top psychologist reckons us Brits prefer doggy style because there's less emotion involved.

He said: "Doggy style is more emotionally disconnected. It's rough, raw and sexual."

"It requires letting go of inhibitions and allowing yourself to be a bit more 'animalistic' in the pursuit of sexuality."

It's not just women in the UK who prefer doggy style – it's also a favourite for girls in Japan.

The second most popular sex style in Japan was revealed as cowgirl, followed by legs over shoulders.

In fact, the results revealed that doggy style is favourite across the board, topping the list for straight, gay and bisexual readers.

Simple

But across the Atlantic, it seems our American cousins are more traditional when it comes to sexual preferences, with women there admitting they like to keep things simple in the bedroom.

A whopping 33% of women in the US confessed they love having sex missionary style – and 20 per cent of US men agreed – in a survey by LifeStyles Condoms.

After missionary, they prefer cowgirl, reverse cowgirl and then the "lazy dog" – which is doggy style, with the woman kneeling instead of on all fours.

Sam Saint says...

"I'm with the Americans on this one – I LOVE having sex in the missionary position. "Some people might think it's boring but I like my men to take the lead between the sheets and I feel more feminine when he's on top and in control."

TASTY Daniela Levy works up a sweat as she strips in the GYM.

The 30-year-old told how a good workout in and out of the bedroom is the BEST way to keep in trim.

And the curvy former Sky fitness presenter said she loves nothing more than to get to grips with a dumbbell.

Here she is showing off her toned 34D assets in a pair of pink panties and matching leg warmers.

Essex babe Daniela said: "Gyms are great for getting fit, but they can only do so much.

"Part of the battle with any form of exercise is actually enjoying doing it – and who doesn't enjoy sex!

"If you're not panting by the end of it, you're not doing it right."

EDITOR'S PICK OF THE DAY

After Hours takes the viewer into the private lives of exquisitely beautiful women as they heat up the night in scenes of explosive, explicit, anything goes, lesbian lovemaking. Tracy Lindsay is waiting patiently when Lorena Garcia arrives home after a busy day at work. Soon the stress of the workplace is forgotten as the tempting twosome share a prolonged session of cunnilingus, ass-eating, fingering, frigging, face-sitting and multiple orgasms. Then there's another four amazing scenes featuring Europe's hottest sapphic sluts. ENJOY!

Abby Winters's girl-boy shoots are a little different the mainstream because they only ever shoot with real-life partners. **Girls and Their Boys 20** continues this winning documentary-style approach, to give you another trouser-bulging insight into how real couples have sex.

BLUE ROM:
Lukaku can
fire Everton to
their first ever
League Cup

BLUES CAN BLOW AWAY BOOKIES AT TASTY 20/1

CAPITAL ONE CUP ANTE-POST

★ Who's got a decent squad capable of matching most teams on their day without having a great deal to play for?

One team kept coming back to me and that was Everton. They've got a decent spine of Stones, Barry, Barkley and Lukaku.

You would hope Roberto Martinez attacks the League Cup because, let's be brutal here, Everton are not going to win the Premier League or qualify for a Champions League place.

They have two chances of silverware in this competition and the FA Cup. On any given day they can beat anyone, especially at Goodison Park. They have yet to win this, having finished runners-up in 77 and 84. I think 2015/16 could be the year this changes and at 20/1 they must be worth a punt.

Crystal Palace also fit the bill and you can't help but be impressed with the job Alan Pardew is doing.

They've some real quality players and if they embraced this competition and got some luck with draws the 50/1 on offer for them could end up looking huge.

I'd rather punt Everton or Crystal Palace at the prices then be on one of the big five and see them possibly go out after fielding a weakened team.

CAPITAL ONE TONIGHT OLDHAM v BORO

★ The last time these two met, Boro thumped the Latics 3-0 away at Boundary Park (if you fancy lightning to strike twice you can get 16/1 for Boro to win 3-0).

I can't see Karanka's men slipping up and I feel they will surely have too much for Oldham once more.

They huffed and puffed on the opening day away at newly promoted Preston without ever really threatening to blow the house down but I'm expecting them to fire tonight. If the

10/11 does not appeal to you then you can get 2/1 from Paddy Power and Sky Bet Middlesbrough to win half-time/full-time.

I can't see it taking them longer than 45 minutes to break down an Oldham defence that conceded a whopping 67 times last season in League 2 including a 7-0 hammering by the MK Dons.

Middlesbrough have a rich history in this cup having won it in 2004 and been runners-up twice — in 1997 and 1998.

While the priority will be gaining promotion to the Premier League, last season's play-off finalists will be hoping to progress here.

CREWE v PRESTON

★ Crewe have only won once in their last eight competitive matches but, although they don't win many, they are a pretty tough outfit to breakdown.

Preston are flying high and arrive here on the back of gaining promotion and bring to the party an impressive record from last season which saw them win seven games on the bounce and go an incredible 18 matches unbeaten.

They also have Joe Garner, the league's top scorer last season with 25 strikes.

They could not have started life off better in the Championship by holding title favourites Middlesbrough to a draw.

17/20 is not a price we will get rich on but it's one I'm expecting us to be collecting about.

If you want to play at bigger prices, take Preston to win and Garner to score at anytime, which is available at 5/2.

PORTSMOUTH v DERBY

★ I'm going for another away win here with Derby. The Rams are more than capable of going to Pompey and getting a positive result.

10/11 is a cracking price for Paul Clement's men to grind out a result. I don't see this being a walk in the

park because County are at that transitional stage.

One thing that is for sure — Clement will not want a cup exit at this stage going on his CV and will no doubt get that message across to his players tonight.

£10 WIN TREBLE PAYS £67.43

Middlesbrough 10/11, Preston 17/20 and Derby 10/11.

£10 CORRECT SCORE TREBLE PAYS £22,950

Middlesbrough 3-0 16/1, Preston 3-1 14/1 and Derby 2-1 8/1.

TWITTER TALK

★ The football season is well and truly up and running now; what an exciting start to the season it's been.

I got plenty of abuse from Bournemouth fans regarding my heading about the Cherries being my 6/4 pick to be relegated.

I rubbed salt in to their wounds by making Villa the bet of the day on my Twitter account at 100/30.

It was no advert for the beautiful game but thanks to Rudy Gesteira we got paid out.

One of the funniest things from the opening day was Joey Barton who was commenting on this match for the BBC when he said: "The best player might be sitting in the stands this afternoon, even if I do say so myself."

Joey Barton most certainly does not lack confidence, does he?

But will he be much of a success at West Ham?

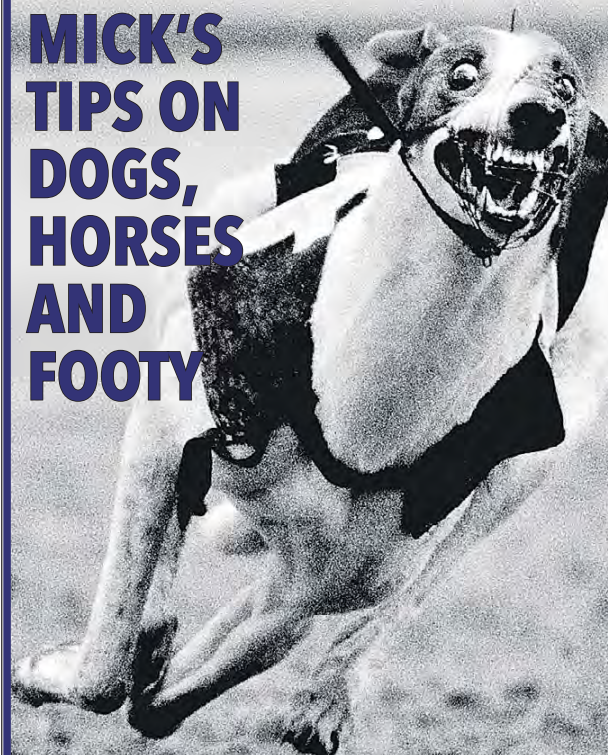

Who do you fancy for this year's Capital One Cup?

In true Delia Smith, fashion — 'C'mon Let's Be Having You'.

I'm @micklivesey so get on there, get yer twits out and give me some stick!

I'm a big boy, I can take it — and give it out!!

GOLF: USPGA STARTS TOMORROW ON SKY SPORTS 4**RORY RARING TO GO!****Mac back to defend world No. 1 placing**

By ALAN DRIVER

RORY McIlroy WILL defend his USPGA title at Whistling Straits this weekend.

The world number one has been out of action since injuring his ankle playing FOOTBALL just before the Open last month.

Now the Northern Irishman says he raring to go and will tee off in the year's final Major when the action starts tomorrow.

The 26-year-old even reckons his ankle has felt better than ever in his warm-up rounds.

He said: "If anything, my ankle feels even better when I swing hard.

"I've played a lot of golf since coming back, just finding the middle of the clubface again.

"And I've been chipping and putting basically since it happened, with my protective boot on.

"I did think about coming back last week at the Bridgestone but my fitness coach held me back.

"He thought it important for me to basically play a tournament behind closed doors and after I completed that successfully, it felt the right time to come.

"I'm ready to play and I expect to do well."

McIlroy is being thrown in at the deep end for his comeback, as he'll play with Open hero Zach Johnson and number one rival Jordan Spieth (pictured) for the first couple of rounds.

The Texan is hot on his heels for the world number one spot and has gained ground while Mac has been on the sidelines.

Rory is desperate to stay top of the pile having worked so hard to get there.

He added: "Obviously it's important to remain world number one, I've made that clear. It's been a year since I got it back.

"But it's just about playing well and winning tournaments and that's my main focus this week."

Spieth has been in playful mood

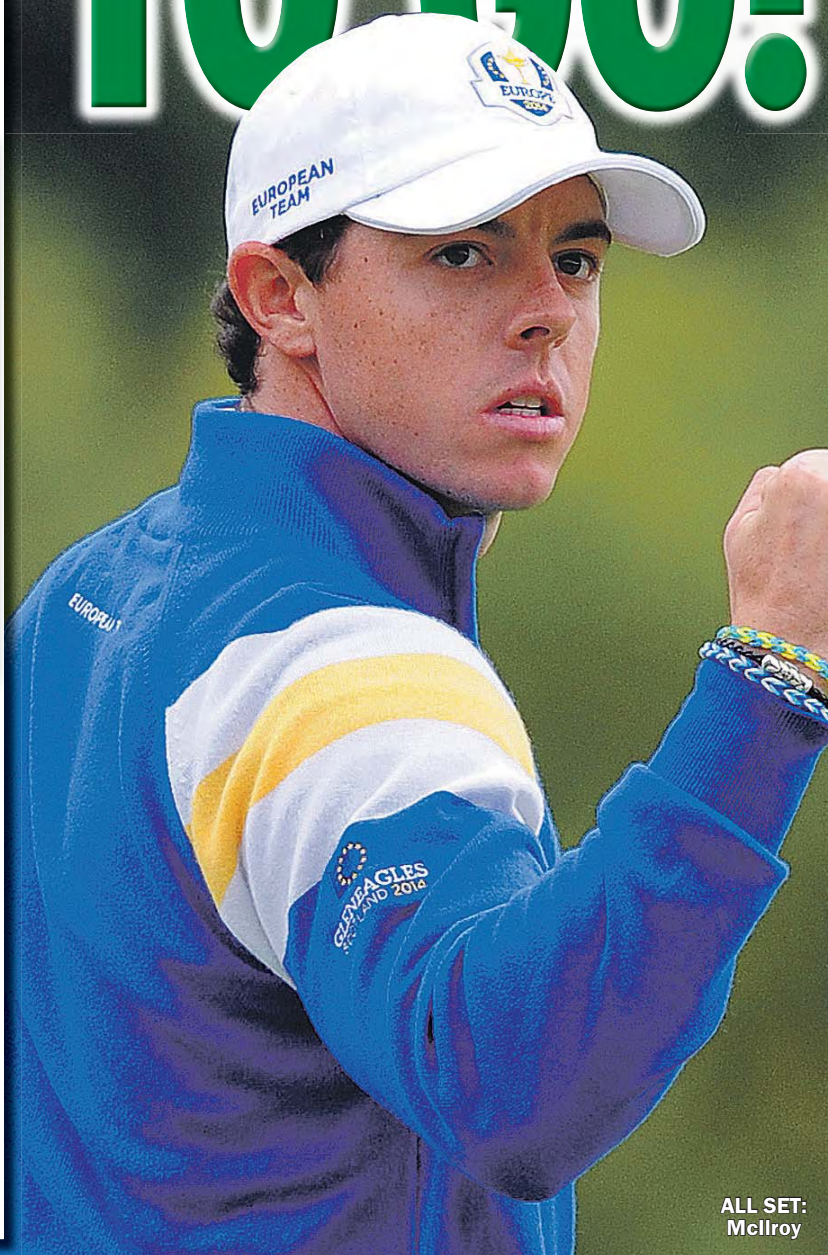

during his practice rounds at Whistling Straits.

He's been having lots of banter with Phil Mickelson, pulling Lefty's leg about having never won the US Open — despite coming second an amazing SIX times.

Spieth joked: "I'm going to try to get the US Open trophy flown in so I can sit it on the front of each green for Phil so I will have something for him to aim at — that's just dishing it back.

"We'll see if we can get somebody to carry it around for the round. It's the first time I have something on him."

And Spieth lifted the lid on why man players don't like playing with Mickelson — his trash talk. Jordan said: "He's a great mentor who likes to see the game grow, and so he grabs guys who are still trying to find their feet and forms relationships. It's not like he's giving us stuff to write in a journal. He's giving us crap and trying to be competitive."

Pyrgos shock at skipper verdict

RUGBY UNION

HENRY PYRGOS says he cannot wait to lead out Scotland against Ireland in Dublin on Saturday.

The 26-year-old will skipper his side in a crucial World Cup warm-up match.

The Glasgow scrum-half admits though that he has plenty of competition to keep hold of the number nine jersey with former captain Greig Laidlaw breathing down his neck for the position.

Pyrgos said: "Greig has been starting obviously so talk of him playing is always going to be the case.

"I won the Pro12 but I wasn't there with Scotland.

However, I was happy with the way I finished the season. It was an amazing experience with Glasgow and that has put all the Glasgow guys in a good position I think.

"But ultimately we are all starting from scratch again now.

"The competition in training is pretty fierce and I'm just lucky to be involved.

"Now I've got the opportunity to play this weekend, do well and put down the first marker.

"I didn't expect to be in this situation but finding out about this is the proudest day of my life.

"I know my family are thrilled but I want to now justify it by going out and putting on a performance.

"As a scrum-half, you have quite a big influence in the way the team plays in both defence and attack."

PREPARED: Farbrace

OVAL AND OUT FOR JIMMY

CRICKET

JIMMY ANDERSON is desperate to play in the final Ashes Test next week — even though the little urn is safely back in England's hands.

The Lancashire paceman missed the Trent Bridge rout with a side strain picked up at Edgbaston in the third match.

It was thought that he'd be out for a couple of months but it looks as though he'll be fit for the final contest.

You might think he'd rest up given that the series is all over — but Jimmy wants to make sure it ends 4-1 to the Three Lions.

Anderson said: "I'd love to

play at The Oval because it will be a joyous, celebratory occasion and I'll do everything to try to get fit.

"But, with the series wrapped up, there's no point playing unless I'm 100 per cent."

Those words look wise as the England selectors would have a tricky task in deciding which bowler would make way for Ando.

England coach Paul Farbrace is another who wants to rub Australia's noses in it — to pay back for the hurt the Three Lions felt

after being walloped 5-0 in the last Ashes series Down Under.

He said: "We were all low. It was a disaster — there is no getting away from it.

"We got blown away in the first game, and I don't think we ever recovered."

"The last week in Australia was a horrible week for all of us.

"Players get stung by that criticism.

"But we came back, and the lads just felt it was time to change the way we were playing and our approach to certain things.

"They have carried that

out, and we have seen the improvement."

Farbrace is already looking to a tough winter with away series against Pakistan and South Africa coming up.

He added: "The next Test match series against Pakistan will be as tough, if not tougher, than this series.

"The conditions are very different, and Pakistan are a fantastic side in those conditions.

"We have got to play exceptionally well in that series and there will be ups and downs.

"We have to accept that, which is hard as coaches."

WITH HIS SPORTING ODDS AND ENDS

RED HOT:
Jordan Spieth

JORD HELP US!

THE USPGA Championship at Whistling Straits starts on Thursday with holder Rory McIlroy back to defend his title having recovered from the ankle trouble that stopped him defending his Open at St Andrews.

Jordan Spieth's flight back to the States from Scotland last month carried the Claret Jug but it was part of his colleague Zach Johnson's luggage rather than his own and listening to Spieth speak, try saying that after you've had a few, last weekend it still irks him that he is not on the brink of golfing immortality this week.

Spieth is 13/2 favourite at BetVictor (1/4 odds six places) to win his third Major of the year, having won the Masters and US Open, but was one shot off a play-off at the home of golf.

You feel he, or anyone else for that matter, will never have a better opportunity of achieving the calendar Grand Slam than Spieth had in 2015.

The market leader warmed up nicely for Whistling Straits with a strong finish at Firestone last week (final round 66) and if he drives the ball as well as is the norm I expect him to go very close.

13/2 LOOKS SNIP FOR SPIETH

That said the nod goes to Bubba Watson (16/1) who lost out in a three-way play-off here to Martin Kaymer five years ago.

The tournament is remembered for Dustin Johnson grounding his Club in a piece of ground deemed to be a bunker on the 72nd hole and thus incurring a two-shot penalty which took him out of the play-off.

Johnson (16s) is looking for redemption this week but the bottom line is he hasn't broken par in the third or fourth rounds of his last three tournaments and he looks one to avoid at present.

Watson on the other hand has won two Majors in the intervening years, finished second behind an inspired Shane Lowry last weekend and his length from the tee is always a big help.

Bubba for me and I think Open Champion Zach Johnson is overpriced at 50/1 at BetVictor; not only did he win at St Andrews but he finished

in a tie for third at Whistling Straits five years ago.

Roger Charlton saddled the winner of the listed Upavon Stakes with a progressive three-year-old filly Primevere back in 2011 and can follow up at Salisbury this afternoon with SUFFUSED (3.55) who has a similar upwardly mobile profile.

The selection has won her last two including an effortless success over C&D last time, has a cracking draw in stall three and will appreciate the forecast good to firm ground.

It could be a good afternoon for jockey Paul Hanagan who partners Suffused and also the lightly-raced KHALAAS (3.25) who steps up to a mile for the first time in the Pembroke Cup for William Haggas.

The selection is likely to need a decent gallop as he can be a touch keen but Alkawan in the same colours likes to race prominently and can help set the race up for the selec-

tion who should go very close.

BetVictor Brand Ambassador Michael Owen has nominated his top six in the PL before a ball is kicked and we are asking customers as a bit of fun whether they can beat Michael's season-long prediction of:

1. Chelsea
2. United
3. Arsenal
4. City
5. Liverpool
6. Spurs

Everyone who beats Michael will win a £5 free bet to spend on next summer's Euros.

Michael's predictions were made before the opening weekend of the new season. Wonder if he'd change them now?

It's simple to enter but you do need to be 18 years of age and have a BetVictor account.

NO TAKERS:
Austin

Sir Les: I'll offer deal to Austin

By JOHN ANTHONY

QPR are adamant that they won't let Charlie Austin go for a penny less than £15MILLION.

And if there are no takers at that price the Hoops want to offer their wantaway striker a new contract.

There is amazement all round that no Premier League club have snapped up the 26-year-old who banged in 18 goals last season despite Rangers being anchored in the relegation zone.

For a proven top-flight striker that would seem to be a bargain. Spurs and Newcastle have been sniffing around and there has been talk of a West Ham and Leicester bid since the final ball of last season was kicked in anger.

Yet no team has come close to getting a deal done for the man who has also figured in Roy Hodgson's England squad.

The transfer window has entered its final three weeks and the Hoops are beginning to wonder if an offer will come at all.

Cheap

And now QPR director of football Les Ferdinand is preparing to open talks about a new contract. Austin's present deal has a year to run and the nightmare for the Hoops would be for him to walk away on a free next summer.

That's probably why the clubs interested in Austin are trying to get him on the cheap.

But Ferdinand said: "The fans are waiting for the window to close and are hoping Charlie is still here.

"These things always seem to drag on, but from the club's perspective you want it resolved as quickly as possible.

"All he can do is be professional, which he was against Charlton on Saturday.

"He's got into this position where clubs are interested in him because he's been professional and scored goals. He can't allow himself to slip now.

"The price is still £15m and the only firm bid that has come in is still from Leicester.

"Everyone feels that bids are going to come in for him, it's just a matter of when. But if a club doesn't pay the fee, then we will offer him a new contract to get him to stay."

NEW DEAL:
Ferdinand

MOVING: Shaqiri

Toffees not Xherdan to hijack Potters bid

EVERTON look set to be thwarted in their bid to hijack Stoke's move for Inter Milan forward Xherdan Shaqiri.

The Swiss winger has agreed terms with the Potters for a £12million move and is even reported to have passed his medical.

Mark Hughes' side are overwhelming favourites to land their man — but there are still some hurdles to overcome.

Although he's at Inter Milan now, Bayern Munich must give their permission for the sale and get a cut of the fee thanks to the conditions of his sale to the Italians in January.

That's left the door open for the Toffees to mount their bid, although the player was in the Britannia Stadium stands at the weekend and is keen on the move.

Achievement

And Stoke midfielder Charlie Adam thinks Shaqiri — along with new boy Ibrahim Afellay (below) — is just the sort of player that can propel the club into the Europa League places.

The Scot said: "The ambition is to try to get into Europe."

"That would be a massive achievement. Liverpool was only one game, there are 37 more to go."

"We want to get into Europe, we want to taste it and that would be a step forward for us."

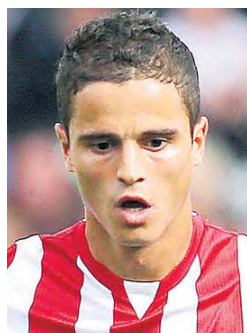

"You can see the ability Afellay has."

"You don't play for Barcelona if you're a bad player."

"He likes to keep the ball and has good retention of it."

"Also, he has only been in the club a couple of weeks and not had much of a pre-season."

"Once he gets up to speed again and everybody gets to know how each other play we will be a decent team again this year."

Pea off...to Spurs

HERNANDEZ AND BERAHINO ARE HOT TO TOTT

TOTTENHAM look set to end their search for a striker — by buying TWO hitmen.

Top of the shopping list is Javier Hernandez from Manchester United with the Little Pea desperate to leave and get first-team football.

And manager Mauricio Pochettino's spending spree won't end there as he steps up his chase for Saido Berahino from West Brom.

Chicharito has been deemed surplus to requirements by United boss Louis van Gaal ever since he returned from his loan spell at Real Madrid.

By WILL BRANTON

The Spurs boss knows he must act quickly as West Ham are sniffing around the Mexican.

The Hammers are set to offer £12million for the proven Premier League performer who is still only 27.

He had a major impact when signing for the Reds in 2010 and he banged in 20 goals during his debut season.

But injury struck and he hasn't been a regular in the Reds' side for three seasons now.

Van Gaal would like to

offload the striker and the London sides look set to fight it out.

West Ham are particularly keen on the deal as they have lost their main goal poacher Enner Valencia for around three months with injury.

They would relish the chance to buy a forward who could be slotted straight into the first team.

Berahino has also been the target of several clubs, but Spurs look closest to getting the deal done.

West Brom gaffer Tony Pulis had been adamant that he wouldn't let the 22-year-old England

international leave the Hawthorns.

But, since bringing in Rickie Lambert from Liverpool and Salomon Rondon (see story below), the Baggies boss seems to be coming around to the idea.

Sticking

He said: "Never say never in football because you just don't know what's around the corner."

"Even with Raheem Sterling, for a while nobody thought Liverpool would sell him to a main rival and in the end they sold him."

The main sticking point is the fee with Spurs not

wanting to go past £15m, with the Baggies wanting at least £5m more than that.

Berahino is desperate to move as he's reportedly on just £15,000 a week which must make him feel like he's got a milk round compared to the wages his England pals are on every week.

West Ham have other transfer moves in mind.

They are closing in on a surprise free move for Joey Barton who is clubless after leaving QPR at the end of last season.

The 32-year-old has also been linked with Aston Villa, but London looks his most likely destination.

BAGGIES BUY BIG

WEST BROM have smashed their club record to buy attacker Salomon Rondon from Zenit St Petersburg.

The 25-year-old will cost the Baggies £12million — beating the £10m forked out for Brown Ideye last year.

The Venezuelan agreed to the move last week, but clearance only came through last night.

Rondon spent just one year at Zenit, but made a big impression scoring 20 times in 37 outings for the Russian giants.

He has won 39 caps for his country and is available for the Watford game at the weekend.

He said: "I am very happy to be

here. I can't wait to be with the other players and to play."

"The club showed a lot of interest in me, that's what is important for a player, what you take into account, and there are expectations of me."

Fantastic

New gaffer Tony Pulis is also delighted to get the deal done.

He added: "Rondon's got a fantastic goalscoring record in some of the top leagues in Europe and for his country."

"He's 25 years of age and still to fulfill his full potential. We

hope he hits the ground running of course, but understand it might take him time to settle."

"I'm sure our fans will help him and get behind him."

"But we feel, with age on his side and the prices English clubs are asking for their players, it's a deal worth doing."

"He comes highly recommended from other managers."

"I have spoken to Manuel Pellegrini and Andre Villas-Boas, who have worked with him, and they were full of praise for the lad."

"We are looking forward to working with him."

SNUB: Traore

Traore prefers a Villa to a Pool

BARCELONA starlet Adama Traore has snubbed Liverpool to sign for Aston Villa.

The 19-year-old winger was thought to be on his way to Anfield, but he's headed 100 miles south instead.

He stopped in Stoke on the way to speak to former Barca striker Mark Hughes, but preferred Tim Sherwood's side.

Villa will shell out about £4million to get the deal done with a three-year contract being thrashed out.

Traore has plenty of pace, but his chances at the Nou Camp have been limited by the stellar talent in front of him.

He plays through the middle or out wide as a winger.

It is expected that the Spanish giants will put a buy-back clause in the contract as Traore is highly rated by them.

Firepower

Sherwood was cagey when asked about the deal yesterday, saying: "He's a good player, but he's still a Barcelona player."

With more firepower up front to replace Christian Benteke, Sherwood can now turn his attentions to strengthening a midfield that has lost the services of Fabian Delph.

One possible replacement for the Man City signing is Dennis Praet from Anderlecht.

The Belgian is on offer for around £7m and Villa look to have beaten Liverpool to this signing as well.

The offer of first-team football is a big draw for the 21-year-old who has already clocked up more than 130 appearances in the Belgian top flight and scored 21 goals.

REAL'S LAST STAND OVER UNITED KEEPER

DE END IS NIGH

'Take it or leave it' bid for David

By ANDY MILLOM

REAL MADRID will launch their FINAL offer to bring David De Gea to the Bernabeu.

Boss Rafael Benitez wants the situation sorted out before the Spanish season kicks off next week and is getting fed up with the whole saga.

He wants De Gea to replace Iker Casillas as the club's No.1, but thinks it's just as important to get the matter settled.

The 24-year-old has made no secret of his desire to leave Old Trafford and was dropped from the whole squad for the season's opener against Tottenham on Saturday.

United boss Louis van Gaal is resigned to losing the keeper and was impressed by new-boy Sergio Romero as he made some good saves against Spurs.

The problem — as usual — is money.

Because De Gea can walk away at the end of the season, the sums involved aren't that high.

Madrid have come in with an offer of up to £17million, but the Reds are holding out for something nearer to £25m.

It seems likely that they will meet in the middle as there seems little point in having De Gea sat sulking in the stands for the next nine months.

Despite Romero looking more than solid on debut, United keeper legend Peter Schmeichel doesn't think the Argentina international is up to being the club's top man.

He failed to hold down a regular spot for Sampdoria last season and the Great Dane isn't convinced that he'll be able to handle the pressure over a full season.

Schmeichel likes the look of Hugo Lloris and believes the offer of Champions League football could prise him away from Tottenham.

He said: "I'd like Lloris to go there."

"He fits the bill. He's exactly what Man United needs, someone who's brave enough to sweep up behind the defenders."

"With Thibaut Courtois he is one of only two keepers who controls their box and that's what United need more than anything in their goalkeeper."

"And he's proven in the Premier League and that's very important."

Van Gaal has his mind on other parts of his defence too and is on the hunt for a quality central defender.

He missed out on Sergio Ramos from Real Madrid after an on-off saga during the summer.

And Daley Blind was used alongside Chris Smalling on the opening day.

The Dutchman is better known as a midfielder, but did well at the back and didn't look out of place.

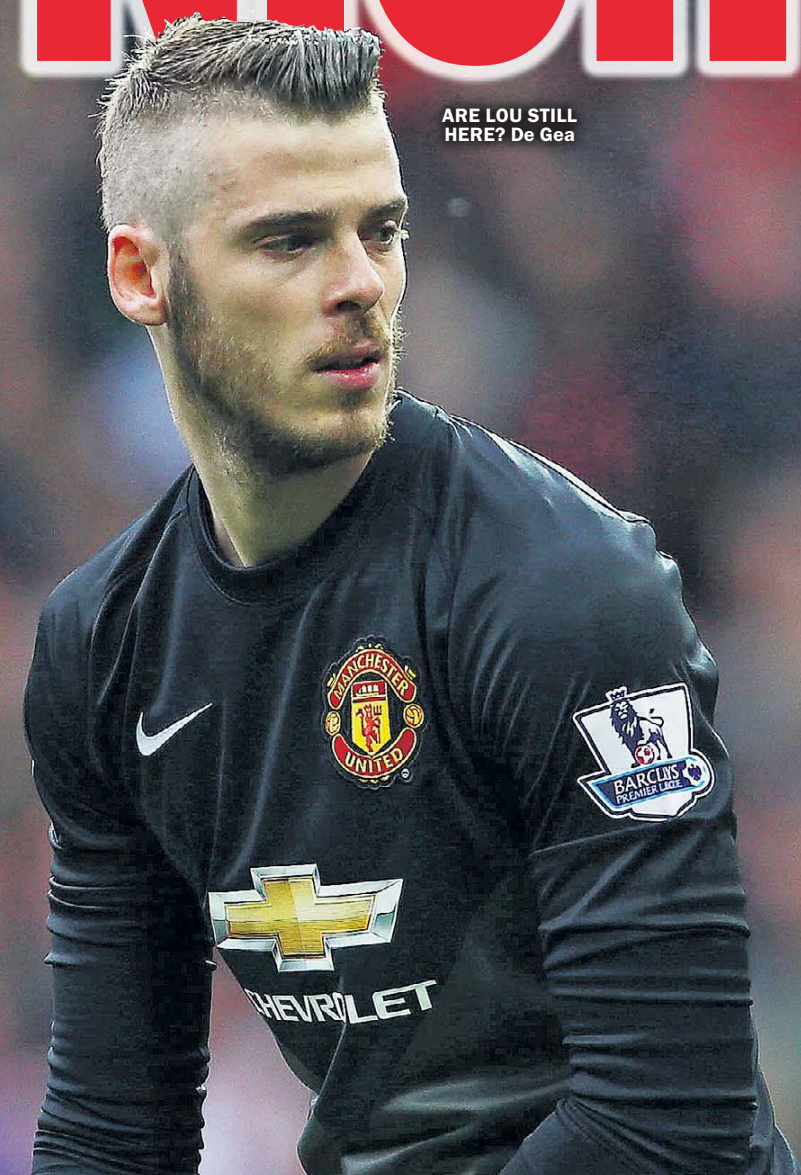

The need for a new man has been turned up slightly with the news that Phil Jones could be missing for a month with a calf problem.

It seems that the main idea is for any new signing to be left-footed.

Van Gaal said: "We have three right-sided centre-backs already."

"We have Smalling, Jones and McNair, but if he is much better than them then it is possible."

"We go for the best players and it has to be possible."

ARE LOU STILL HERE? De Gea

Manu could kneed surgery

NEWCASTLE striker Emmanuel Riviere is being lined up for surgery on his injured knee.

The Frenchman (right) picked up the knock on the club's pre-season tour of America and it was thought that rest would be enough to sort it out.

He was missing from the opening day 2-2 draw against Southampton and it might be a while before the 25-year-old is in contention for a starting place again.

Toon boss Steve McClaren said: "I think Manu Riviere's knee was painful after training so he might have to have surgery. We are investigating that at the moment."

He also praised the club's medical staff for keeping injuries to a minimum this pre-season. McClaren added: "The staff have done a great job. I would really highlight that in terms of preparation. We said we wanted a really big squad and want everyone to pick from, so we have a real headache."

LUCAS IS AN ANFIELD LEIVA

By MARK NAYLOR

LUCAS LEIVA looks to have played his last game for Liverpool after falling out with boss Brendan Rodgers.

He was dropped from the matchday squad for the first game of the season against Stoke on Sunday.

That angered the Brazil star who has been at Anfield since moving from Gremio in 2007.

The 28-year-old has suffered from injury problems in the past couple of seasons, but has still been a key man in the side.

But he's not the type of player Rodgers looks for as he doesn't pile up the pitch at every opportunity. Despite his

return to the side being one of the key factors in almost winning the title two seasons ago, he looks to be moving on.

Emre Can was preferred to Lucas in the defensive midfield role on Sunday and he's also thought to be behind Joe Allen in the Anfield pecking order.

That's music to the ears of Inter Milan who have already expressed an interest at around the £8million mark.

Napoli are also in the race as Lucas' style is more suited to the slower pace of Serie A. Another Italian, Paolo Di

Canio, has weighed with more criticism of Reds forward Mario Balotelli.

The former West Ham man has already accused him of wasting his talent.

And he now says that he plays football just to be famous and not for the love of the game.

Incredible

Liverpool would love to offload their £16m panic buy from last summer, but his £100,000-a-week-plus wages are putting off other teams.

He said: "I think at some point you have to realise what it means to play with your

team-mates, sharing good and bad moments and it doesn't seem like he is doing that."

"He's still young, he's physically strong, and he's an incredible athlete, but he's never taken advantage of his great potential."

"Sometimes in football you think you can just hog the ball, show off in some way and let your team-mates run for you, but you can't, football is about sacrifice, and a bond with your team-mates."

"I hope he'll recover, but it'll be very difficult, as he spends too much time on social media."

Stones rolls on as Blues sign Baba

CHELSEA haven't yet managed to get the signature of John Stones, but as compensation they've secured the services of Baba Rahman from Augsburg for £18million. That's one highly-rated defender in the bag, but Jose Mourinho looks set for disappointment in his pursuit of the other.

Everton are determined to keep hold of Stones and are even prepared to turn down £30m for the centre-back.

And the Blues had more bad news last night when they lost their appeal to have Thibaut Courtois' (right) weekend red card overturned by the FA. That means Asmir Begovic will be in goal for the clash with Man City.

Chelsea will keep testing the resolve of the Toffees, although it's beginning to become a point of principal for the Merseysiders that they won't be forced into a sale.

Manager Roberto Martinez said: "The window, when it is open and we have to prepare for games, is very, very unfair. I don't think it is right."

"I think we should have a period where we assemble our squad, and then once the first League game starts everyone is focused."

"I think we forget that footballers have a human side and it can really affect them."

Ridiculous

"Players like Stones have an incredible future and will attract interest from the outside."

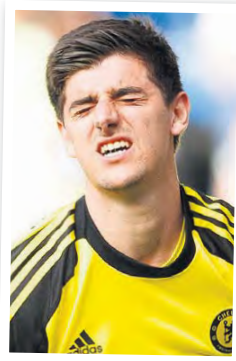

"As a football club these players are going to be a part of our success in the future, so we take the interest from other teams as a positive compliment."

As for Rahman, the 21-year-old moves with a big reputation but will have to force his way into the side.

His giant transfer fee does not guarantee him a starting place at Stamford Bridge. Nor do his wages, which are in the region of £100,000 a week – not bad for a squad player!

One of Mourinho's most

By ANDY MILLOM

ridiculous spats – and there have been many – sees him at war with his own medical team.

In possibly the most creative way of diverting attention the Portuguese has come up with, he spent much of the press conference after the Swansea match having a pop at his physios.

They went on to the pitch to treat Eden Hazard, meaning he had to come off the pitch when Chelsea were already down to 10 men.

Rather than have a go at the player for carrying on as if he was half dead when he had just a little knock, Mourinho gave physio Eva Carneiro a rocket instead.

Now it looks as though she won't be taking her place on the bench against Man City on Sunday.

After Mourinho's bizarre moan, she wrote on her Facebook page: "I would like to thank the general public for their overwhelming support."

PELLEGRINI HAPPY WITH NEW BOY

STERLING SOUND AS A POUND!

City boss says his £49million man will be worth the wonga

By MARK NAYLOR

MANUEL PELLEGRINI has sprung to Raheem Sterling's defence after his damp squib City debut.

The man who cost a massive £49million from Liverpool looked out of place as the Blues brushed aside West Brom on Monday night.

He did little to test the Baggies defence and blew a gilt-edged chance to score on his Premier League opener.

And Sterling got a taste of things to come as the Hawthorns faithful booed him pretty much every time he touched the ball.

It seems that his crying off from England duty saying he was tired hasn't been forgotten, along with the tactics him and his agent

employed to get him a move from Anfield.

The winger looked quite second rate compared to team-mates David Silva and Yaya Toure who both cost much less than Sterling's eyewatering fee.

He was dragged off after 74 minutes and, if he didn't have such a stellar price tag, you might have thought it was a young kid from the reserves making his debut.

But the City boss was quick to support his new signing, despite his modest display, when he said: "I'm not disappointed because Raheem played 70 minutes very well."

"It is not easy for him to play a new style with new

teammates, he worked a lot and he had two clear chances."

"If he continues to play like this I am sure he will be the player we bought."

That is a backhanded compliment as it suggests that the player City bought was NOT the man we saw at the Hawthorns.

Pressure

And Sterling has only himself – and agent Aidy Ward – to blame for being under so much pressure.

The way they behaved in engineering their move away from Liverpool has put the 20-year-old under intensive scrutiny.

They essentially said that Liverpool wasn't good enough for them – even if offered almost ONE MILLION

POUNDS a week in wages to keep him at The Kop.

It means that Sterling has to deliver huge returns every time he walks on to the pitch in a City or England shirt.

The way his form dipped at the end of last season – along with his young age – suggests that the pressure has already got to him.

If he gets booed by West Brom fans who have no reason to hold a grudge, things are going to be tough in every away match for Sterling.

But his City team-mate Fernandinho thinks he's man enough to deal with it.

He said: "I think he is a strong character with the right personality."

"I saw him talking about his determination to win

TALKS: De Bruyne

Key could be De Bruyne for City

MANCHESTER CITY are on the verge of completing a £47million deal for Kevin De Bruyne.

Talks have been opened between the Blues and Wolfsburg over a transfer that has seemed inevitable for weeks.

And it looks like his first game could be against the club that dumped him — **CHELSEA**.

The Stamford Bridge boys farmed the 23-year-old off to the Germans for £18m after Jose Mourinho felt he had no future in London.

That could come back to haunt him as De Bruyne has been a revelation in the Bundesliga.

He was credited with more assists than any other player in the league last season as he thrived in a playmaker role.

And that's the position City want him for, to work alongside David Silva in creating chances for Sergio Aguero.

De Bruyne's agent confirmed that talks had started, but that he'd wait until the clubs had agreed the fee before talking personal terms.

Threat

He said: "We are waiting to discover whether any agreement has been reached between the clubs."

"That is for the clubs to decide, and not for us. There is no medical planned at this stage, and he is happy at Wolfsburg."

As well as setting up his team-mates, De Bruyne has also found a knack of scoring goals.

He banged in 16 last season despite not playing up front.

And that's the sort of attacking threat that City will pay big bucks for.

Another marquee signing would also take some of the growing pressure off Raheem Sterling.

It might be that City go to £50m so the former Liverpool man is no longer their record signing.

Wolfsburg chairman Klaus Allofs said: "If you're asking me if Kevin has come and requested a transfer then the answer is a definite no."

trophies and I'm sure he will be able to manage."

The main flashpoint will be the games against Liverpool, with Tuesday, March 1 surely ringed in Sterling's diary, as that's his return to Anfield.

Under the floodlights of a midweek match the atmosphere should be electric and a massive test for the City man.

Reds chairman Tom Werner has done his best to calm the animosity by thanking Sterling for his efforts at Anfield.

But he added: "We'll only ever sell a player if we believe it's in the best interests of the club."

"It was clear to us that Raheem didn't want to stay at Liverpool."

"It was our collective decision that when the price we set was met by Manchester

City that it was in the best interests of the club to sell."

"Regardless of how it played out, Raheem made an important contribution to the club during his time at Liverpool and I believe that he's an outstanding player."

For City, the dramatic return to form of Toure — who scored twice against the Baggies — was the main plus from their 3-0 opening victory.

And Pellegrini expects more from his midfield general.

He said: "Last season was a strange season for Yaya, he started with a lot of problems, the death of his brother, his agents. He was not focused on what he had to do last year."

"We spoke before the start of the season and I am very sure we will see the Yaya from two years ago. He is a very important player for us."

BARCA LEGEND WARNS OLD TRAFFORD TARGET PEDRO...

VAN GAAL WILL DESTROY YOU!

**And he will
DESTROY
Man United
too, says
Stoichkov**

DON'T DO IT:
Stoichkov (right)
has warned Pedro

By MIKE MURRAY

BARCELONA legend Hristo Stoichkov has launched an amazing ATTACK on Man United boss Louis Van Gaal.

He has urged Pedro to call off his switch from the Nou Camp to Old Trafford, saying the Dutchman will DESTROY the Spaniard's career.

The Bulgarian's feud with the United chief goes back almost 20 years since he barely

played him when in charge of Barcelona.

He blames LVG for bringing to an end a glittering career with the Spanish giants that featured five La Liga titles and a European Cup win.

He is on record as calling the Dutchman "scum". And Stoichkov spoke his mind again when asked how his old manager was doing at United.

He roared: "I would never be under the orders of Louis Van Gaal."

"He's mediocre."

"He destroyed Barca and is

destroying Manchester United.

"With what he has done to goalkeeper Victor Valdes, he has shown he is a bad person."

"Hopefully Pedro listens to me and doesn't leave."

The 28-year-old is on the verge of joining United now that Barca's Super Cup final against Sevilla is out of the way.

A fee in the region of £22million has been agreed after the Reds activated Pedro's release clause.

Barcelona manager Luis Enrique dropped a huge hint that

the deal is all but completed.

He said: "I would like to keep all my players through the whole season."

"But we have talked enough about Pedro. The solution will arrive soon."
